Adam22

You said we're live. No Jumper, coolest podcast in the world. And for the second time ever, I have the boy Trippie Redd on the show. How you doing, brother?

Trippie Redd

Good. Good. What's good?

Adam22

I don't know. I'm feeling good. I was back here hanging out with freaking Keemstar of all people and then all of a sudden you show up. How you feeling?

Trippie Redd

Successful.

Adam22

Successful.

Trippie Redd

Positive.

Adam22

Is that a - is that a difference from last time we talked on camera because back then you were still - like, I mean - you seemed like you were about to be huge to me, but you were very, very early in your career at that point.

Trippie Redd

Hell, yeah. Did I even - was 'A Love Letter to You' even dropped yet or was I like about to drop it?

Adam22

I don't know. I feel like 'POLES1469' might have been your biggest song at that point or something. It was a long time ago.

Trippie Redd

Lil Floaty, live - live on No Jumper.

Adam22

Hey, Boat. What's happening?

Boat

The coolest podcast in the world!

Adam22

Hey, he knows too.

Trippie Redd

Hey, say it in the mic so they know.

Boat

The coolest podcast in the fucking world, bitch!

Adam22

My guy! How you living, Boat?

Trippie Redd

I'm going to call you back after this shit. And I was about to say that shit is hard. I like that shit.

Boat

Alright, call me.

Trippie Redd

Alright, sexy.

Aylek\$

What?

Adam22

Wait, what? Did we just have a moment? The two biggest red headed cle -

Trippie Redd

That's my twin.

Adam22

Red-headed clout demons. The two biggest ones I know.

Trippie Redd

Clout demons?

Adam22

You always call me a clout demon.

Trippie Redd

No. You're the biggest clout demon of all time.

Adam22

What's that mean to you? Give me a definition of clout demon. Clout has changed a lot since we last talked.

Trippie Redd

You don't know that you're a clout demon. But that's what makes you the king of them all because you're just being you.

Adam22

Right, so -

Trippie Redd

You're not being them when they're being clout demon.

Adam22

Do you think I have good intentions?

Trippie Redd

Yeah. You just do your thing. Everybody fuck with you. Everybody loves you.

Adam22

Appreciate what that means a lot.

Trippie Redd

And everybody hates you too.

Adam22

Yeah, that's alright. The hate - the hate don't mean nothing to me. Do you even have any interest in people talking shit about you on Twitter? Do you search for it? Do you read it anymore?

Trippie Redd

Hell, no. I'm just super positive. I just - I mean, I scroll. I might see something negative and laugh at it and then comment back to some positive shit. Because I like that shit.

Adam22

That's tight.

Trippie Redd

Hate, love, all good.

Adam22

It is all good, isn't it?

Trippie Redd

Hell, yeah.

Adam22

Yeah, I mean, you just reach a certain point in your career where you just can't.

Trippie Redd

Hate is beneath me. I can't - I can't like put myself in the category of somebody that responds to that type of shit, you know?

Adam22

Right.

Trippie Redd

Like that shit just beneath me now. That shit below me.

Adam22

Don't - don't you feel like you're out of a certain point that - maybe around the million follower mark - you just can't even keep track of it anymore, right?

Trippie Redd

You got to think though, I'm somebody that came up off Instagram so - I do. I see everything. I do peep everything. I - don't think I don't see what people say. Because I do. I just don't pay no attention to it.

Adam22

You scroll through the DMs still?

Trippie Redd

No. Not unless it's like I DM you or something.

Adam22

I know you ain't reading your comments because you're always telling everybody to spam your comments.

Trippie Redd

Yeah. Because it's like - flush that shit. Flush all the other shit away.

Adam22

Right.

Trippie Redd

"1400" - positivity shit.

Adam22

Comment "1400" on my pics to unlock a new song.

Trippie Redd

Hell yeah.

Adam22

Gang shit.

Trippie Redd

And there'll be like 30 fucking thousand comments.

Adam22

Tell us how you guys met.

Aylek\$

We met in Brooklyn.

Adam22

That's where you're from?

Aylek\$

Yeah.

Adam22

Okay. What was your first impression of him?

Aylek\$

I was like, "Oh, he looked different."

Adam22

This is -

Trippie Redd

I like how she said, "I look different."

Adam22

Why? Did you just see like him as being sort of a similar, weird person to you?

Aylek\$

I like weird people and he felt weird so - it attracted me.

Adam22

When was this?

Aylek\$

When he first linked me in New York.

Adam22

When? How long ago?

Aylek\$

In like September - the end of -

Adam22

Last year, right?

Aylek\$

Yeah.

Adam22

That's beautiful. What do you guys do when you hang out?

Aylek\$

Everything.

Trippie Redd

That's my best friend. We smoke. We watch shit. We argue.

Adam22

Smoke what?

Trippie Redd

We fuck.

Adam22

You smoke -

Aylek\$

He be like, "Come with me in a bathroom, I'm about to take a shit." I'll be like -

Adam22

Are you serious? You're that close?

Trippie Redd

You know - she holds my hand while I take a shit.

Adam22

What the fuck? Do you at least flush it as soon as it gets in there?

Aylek\$

That's what I'm saying! I'll be like, "You better flush that shit as soon as it -"

Trippie Redd

Sometimes. It's like if I want to respect her.

Adam22

Wow, you know what? This is probably the only time I'm ever going to feel comfortable asking this in an interview. But have you ever gone blumpkin?

Trippie Redd

What the fuck is that?

Adam22

You really want me to explain for you?

Trippie Redd

Yup.

Adam22

A blumpkin is where you're taking a shit and getting head at the same time.

Trippie Redd

Oh my god. Thanks for the information.

Adam22

That's so amazing that I got to teach you about that.

Trippie Redd

Wow.

Adam22

I'm not saying I'm advocating for it. I've never done it.

Trippie Redd

You never done it?

Adam22

No, no, no. I respect my girlfriend too much. I can't even imagine the kind of girl that I would want to do that. That's a foul fucking concept to me.

Trippie Redd

Reasons of trying.

Adam22

I think it's kind of interesting that you even wanted her to be in the bathroom where you're taking a shit. That's a little too close for me.

Trippie Redd

Cus we talk. We talk. I don't want to be in there alone just to work.

Adam22

Yeah.

Trippie Redd

Scrolling.

Aylek\$

Scrolling?

Trippie Redd

What's the difference between you and other rappers that you like having a fucking girlfriend, whereas most rappers seem to just be really into just fucking every single groupie they meet?

Adam22

Y'all gonna get herpes. I was always a weirdo when it came to that anyway. I always just, I can, I'm bougie. I'm light skinned. I double bitch. I'm going to be bad as bitch in the world. And I double.

Trippie Redd

Do you like to be pampered?

Adam22

Well, not even that.

Trippie Redd

I'm just weird.

Adam22

What's it like being a Trippie's girlfriend?

Aylek\$

It's always something going on. It's cool. I like it. Obviously.

Adam22

It's a roller coaster?

Aylek\$

Yup.

Adam22

Well, how long - okay, how long has it been a part since it started?

Trippie Redd

Like two weeks.

Aylek\$

Yeah.

Adam22

Is that hard?

Aylek\$

Yeah.

Adam22

OK. Why? You guys are just emotionally dependent on each other at this point?

Aylek\$

Basically.

Trippie Redd

I can't fucking leave, bro.

Adam22

Have - have you ever - me and my girlfriend have had this conversation like, if anything ever goes bad between us, promise that we'll never like call each other out on social media, like really try to just establish that early. Because I think that's really important.

Trippie Redd

I'm not even like - at this point I'm in - fuck all that shit. Social media is lame. I just use it to stay in tune with people that I like me.

Adam22

Yeah, but you guys live a very, very public relationship on Instagram.

Trippie Redd

Yeah, we do.

Adam22

I think it's a big, endearing part of like you're both of your online existence, really, because people just are fascinated by the relationship thing. I see how people are with me and my girl, too. They just love observing it.

Trippie Redd

Everybody getting into that type of shit, I think it's more so like, you know how niggas be doing them dating shows. It'd be like 20 bitches. He be like, who's going to be my bitch? He already guys eye on the bitch he want for real, but

Aylek\$

Some Flavor Flav shit -

Trippie Redd

Yeah, like some Flavor Flav. Flava Flav! Yeah, boy!

Adam22

Is that going to be you in 30 years? Hey, 30 years from now, you down to do a show like that? Let's call it.

Aylek\$

Oh my gosh.

Trippie Redd

Fuck no.

Adam22

Or how long? Because at a certain point in every rapper's career, they have to go on "Love & Hip Hop", right?

Trippie Redd

I'm not a rapper.

Adam22

Bro, you don't - you're not telling me there's not a part of you that isn't like, "Damn, it would be kind of tight to be on 'Love & Hip Hop'".

Trippie Redd

Hell, no. That shit is lame as fuck. I can't even see myself on that shit.

Adam22

But there's so many legends that have passed through there. You could be like the Joe Budden of the modern age, bro.

Trippie Redd

I fuck with Joe Budden, but -

Adam22

Yeah, Joe Budden hard. No, I fuck with him too. Yeah. I hung out with him recently, actually, for like fucking 20 minutes. It was beautiful.

Trippie Redd

I fuck with Joe Budden. He fuck with me.

Adam22

I finally got the follow back from him after like eight years of me following him.

Trippie Redd

I already said something on his little show. He was like, "Despite all the other shit, I feel like Trippie's music is influencing..." or something. He said something. I just see one of my homies show me those shit. I fuck with him. I've been fucked with everybody, though. I can't even cap. I mean, we try to be as versatile as I can.

Adam22

We do these live streams where we just watch kids videos all the time. And like, it's crazy how many people are basically doing like a Trippie Redd rendition.

Trippie Redd

What's that?

Adam22

Just like kids trying to sound like you. And it's just kind of like ridiculous.

Trippie Redd

Oh... I like that shit, though. I'm glad I'm an influencer.

Adam22

Mmhmm.

Trippie Redd

That shit cool.

Adam22

But does it ever feel like, "Damn, they're trying to take my juice? Like, my juice is going to get tired, because everybody else is taking my juice and making it sort of run out."

Trippie Redd

Hell, no. My shit ain't runnin' out.

Adam22

That's beautiful.

Trippie Redd

Hell, yeah.

Adam22

But are - are you still motivated? You're still really in the studio like that - like really recording all the time?

Trippie Redd

Where do you think I'm going right after this?

Adam22

The studio? What keeps you motivated in there? You're not even like on drugs. You're smoking fucking tobacco right now. Most of these rappers - they seems like they're sort of motivated by drugs.

Trippie Redd

This is my - this is my passion. I like music. Niggas like basketball. Niggas like cars. I like music. It's my thing.

Adam22

You're not into anything else? You're not into basketball? You're not into cars?

Trippie Redd

I mean - I'll whoop your ass in basketball.

Adam22

Oh, yeah you'd - definitely. You'd whoop my ass. I'm like an elderly man, bro.

Trippie Redd

I'll show you how the youngsters get it.

Adam22

Yeah.

Trippie Redd

Nah, I definitely - I got a basketball court in my studio - shit.

Adam22

Oh, yeah, because you record over there - where we were with Keef that one night?

Trippie Redd

You said what?

Adam22

Where we were with Keef that one night? Yeah. Legendary basketball hoop in there. Let me ask you this. Let's switch lines. How did you - where were are you when you found out about X?

Trippie Redd

Walking out of the courtroom.

Adam22

For real?

Trippie Redd

Getting out of jail.

Adam22

How long you've been in there?

Trippie Redd

It was like - like a fucking a week and some change.

Adam22

Oh, for that bullshit.

Trippie Redd

I got out on my birthday.

Adam22

Right.

Trippie Redd

He passed on my birthday.

Adam22

So how'd that feel? You're coming out of a fucking shitty-ass experience.

Trippie Redd

Yeah, that shit was just weird, bro. I felt the energy though - that shit. I don't know, bro. That shit was just weird to even like - if you look up 'X' and then look up me on Google, it say, Trippie Redd birthday - June 18, 1999 and you look up 'X' and it say, 'Death day - June 18, 2018'. That shit is creepy.

Adam22

How do you meet him in the first place?

Trippie Redd

I was in the car listening to, "FUCKED UP! FUCKED UP! FUCKED UP..." and I made an Insta-snap and tagged him in it and he hit me back. He was like, "I love your shit, bro. I see similarity between us. Like you not on with these other kids on. I fuck with you." And ever since then, we just have been talking and shit. And I went out to Miami and - I had a show out there - and I invited him and he came to perform with me - type shit. And then after that, I lived with him for like a month or two.

Adam22

Really? So what was that like?

Trippie Redd

Fucking fire. It's hard having somebody that - that's like on the same shit as you but also someone that you can actually talk to and actually feel like they not just saying shit to you - like, we just had like a bond that nobody else - I had with nobody else really.

Adam22

Just like those long conversations - like, he was so good for that. I was saying on an interview that like you would see him facetiming and you'd have to be like mentally preparing yourself for like, "Okay, we're going to - we're going to battle for like an hour talking right here."

Trippie Redd

Yeah, but also like - he just was like my best friend, you feel me? That was my best friend. Like, we just - I don't know - he was going through some shit with Skeet, but I still fucked with Skeet so I was still talking to Skeet too. But, we just like - his best friends bro. We did everything. Trippie - 'Trippie Blue' and 'ZZZ'.

Adam22

What's that mean?

Trippie Redd

He's used to call me 'Trippie Blue'. And I called him 'ZZZ'.

Adam22

Oh, okay, okay.

Trippie Redd

You don't remember that when we was here? I was calling him 'ZZZ'.

Adam22

Okay, I do remember. Okay, so it was that time period. Because I remember that was a crazy day - because the only times I ever seen X in real life is when we did the first interview and then that time that he came here with you. And you guys were all in the crazy ass pants with the straps all over them. And I look down the street and I see you and him walking down the street and you didn't really like - I didn't see any like - dudes that look like security, really. It looked like you were just with some hood dudes. I'm like, "What the fuck are these two dudes walking down the street for?"

Trippie Redd

Yeah, we's just chilling. We's out here showing off. We was on Fairfax.

Adam22

Yeah, you walked from like the Supreme store.

Trippie Redd

Yeah, we was - we was previewing 'Fuck Love' and shit. Yeah, we had like - a thousand little kids outside our - our little limo truck. We had little limosine truck with all the party-shit on the inside. It was cool as fuck. Candy and shit.

Adam22

Did you - when you made - where were you when you made that song? Were you just recording like crazy when you guys were together in Florida?

Trippie Redd

I went to the studio with him and it was this beat that Detail had. You know who Detail is?

Adam22

Mmhmm.

Trippie Redd

Yeah, so he had this beat. X wasn't really fucking with it. So I was like, "Shit - if you don't fuck with it. I like this shit. Let me take it." So I - he let me take and shit. Detail sent me this shit. I went to Wayne's studio and I was with HoodyBaby and Wayne and - Mack Maine pulled up too. And we was just in there vibing and shit. Everybody left. It was just me and Hoody and - I did some shit with Hoodie. And then right after, I was like let me cut this shit. I got you. Like, "Go ahead, bro." So - shout out HoodyBaby, by the way. But yeah, so I end up recording and shit - I just freestyle some shit. Matter of fact, I had the melody in my head the night before.

Adam22

You're always working on melodies in your head, right? Because I've seen you be like prepared coming in the studio - like multiple times - like you really know what you're gonna do.

Trippie Redd

Right. Yeah. Like if I have a beat that I really feel is like - you feel me - I do that shit.

Adam22

I feel like you pay - you pay more attention to your craft than a lot of people. A lot of people are really happy to just get in there and just freestyle and you seem like more calculated.

Trippie Redd

Yeah, like it has to be up to par like - I'll sit back on the song for two weeks, three weeks, a month or something and then come back to it and be like, "I know what I'm gonna say now. It's different now." So that's how I work. But I cut that - cut that part and then I - I previewed it on my Instagram and shit and X DM'd that shit to me right away. He was like, "Bitch, let me get this on my album." I'm like, "For real? That's what you trying to do?" He said, "Say - say - say less." I was like, "Bet." I sent it to him and he sent it back to me. And I pulled up on him instantly and like, "Nigga, this shit hard as fuck."

Adam22

Were you - like how did feel to be the only guest on his fucking first album - like of all - he like he has so many friends that like he's known forever - artists that would have killed for that opportunity and stuff - and you're the only one on there.

Trippie Redd

That was my dawg, bro. I fucked with him. Despite our differences and shit like - we always hit each other up, regardless. You know how he is. We hit each other up and be like, "Bro, what you doing? You good?" This and that. And he - he'll explain how he feel about shit and I'll explain how I feel about shit. And even - even if we agree or disagree, we still talk to each other the next day. Like we always fluently talk - like if it wasn't - it was never like a week that'd go by where we ain't talk.

Adam22

Mmhmm. But you guys were beefing pretty tough - like pretty close to the time that he passed right?

Trippie Redd

Not when he -

Adam22

But like a few months before that, you guys had gone at it pretty bad online.

Trippie Redd

Yeah.

Adam22

So what was the state? Did you guys ever really get a chance to talk after all that crazy shit?

Trippie Redd

Yeah, we talked. Right after I got off that live with Akademiks, we talked and shit. And - shit - we - put - put aside our differences. We was talking to each other. So that shit it ain't really

- you feel me - I don't have to - suffer of - he passed away and I ain't get to say what I had to say to him - you know I'm saying?

Adam22

Do you think about how that would have felt?

Trippie Redd

Oh, yeah. It would have hurt. It would have hurt bad. It still do hurt - the simple fact that he passed on my birthday. That shit weird. But it is what it is. I still feel like he is watching over me. I see the number 17 and 14 now.

Adam22

Do you - when you just look at his impact that he made - like you know - it's kind of like he was so huge during his life but then in his passing, it's like we can actually see how big he was, and how larger than life his career was, and how big his personality was, and how many people were so deeply affected. I don't know - how has it been for you to just watch like the reaction of ever since he passed?

Trippie Redd

Bruh, when he passed bruh, I went up a million followers.

Adam22

Yeah, I can't lie. The similar shit for me. Like it was weird. It was like all of a sudden everything about him and my shit in general.

Trippie Redd

Anything that had to do with him went up. It was scary. But I feel like I had like one of the biggest impacts on this shit. It was like weird. On the spiritual level though, I felt like it was - like, "You seeing what I could do. Now, do you. Figure this shit out." And I sat back and learned from the situation. And I'm like, "Fuck all this a negative bad shit, you know." I'm saying like, "Fuck anything negative. I want to be positive. I want to be an influence to these kids on it I want to do better." So I mean his growth was amazing. That shit was crazy I think our song went from like platinum to like - it's about to be like double or triple. Shit crazy.

Adam22

I mean yeah, it's weird to see - like his Instagram followers fucking doubled when he passed. He went from like 7 to 14. Like it's just crazy to see how people react when somebody passes. They all want to fucking figure him out at that point.

Trippie Redd

Yeah, when they should have been figuring him out.

Adam22

Yeah.

Trippie Redd

Why not? If you don't know somebody, try something new.

Adam22

It's pretty crazy you say that about - because you know he's somebody that during early period in his life - like I was talking to people back in Florida about what he was like - you know before the music shit even became really popular and like Bruno, his manager, was kind of saying like this kid was basically famous in Florida for fucking people up before he was famous for the music shit - you know - so he saw that side of shit where he was notorious - legendary - for being like a crazy motherfucker and then -

Trippie Redd

We had talks like about the positive shit like -

Adam22

Right. Because he got to have that whole transformation -

Trippie Redd

We talked. We talked about it. I was influencing on him the same shit. I just didn't want him to be a negative soul. You know what I'm saying?

Adam22

Right.

Trippie Redd

And then, we kind of fell out because I went to being negative and he went to being positive so it was like - but I mean, I wasn't looking at it like I was being negative. I was just trapped in that world.

Adam22

Your way of thinking has changed now?

Trippie Redd

Hell, yeah. Fuck all that goofy shit.

Adam22

Yeah, I mean just seeing him pass just kind of makes a lot of this stuff seem petty in comparison, you know?

Trippie Redd

Petty as fuck.

Adam22

Yeah.

Trippie Redd

Not even the word for it. What's worse than petty?

Adam22

But he saw - you know he saw the the situation of what it was like to be known for being a crazy motherfucker and then like over time - like the way we view him and stuff - and it's it's hard for a lot of people to understand - why his fans - their memory of him is as this person who like personified and like represented like wanting to change the world in a better - in a positive way. You know like - we all saw him turning into that. People just want to focus on some shit he might have done earlier in his career that was negative, you know?

Trippie Redd

Right. And even his 'SAD!' video - that shit was him fighting his old-self. It's - it's like kind of negative.

Aylek\$

That was weird as fuck.

Adam22

Like he was so aware of that thing that was going on within himself - like and he did things like separating himself from everybody and putting himself in -

Trippie Redd

Separating himself from himself.

Adam22

Right. Like he didn't want to be in LA because he knew that if he was around all these influences out here that he wouldn't be able to sort of work on himself, you know?

Trippie Redd

Yeah, he used to be - he just didn't want to come out here all like that. Only reason he would come out here is like - people like me - like here come chill with me - want to go paintballing and shit or some shit like that. That and too his studio. Other than that he really didn't wanna do shit. And then kind of like when I got in a relationship, he was kind of like - like, "Nigga..."

Adam22

He was jealous.

Trippie Redd

Kind of. But it was like - he just was trying to spit me some game on my females and shit. But it was like - sometimes I got a handle stuff on my own, you know? Like be a man about it. I took his advice though, you know? I kept it in mind but I'm my own man, you feel me? That was kind of one of our differences that made us fall out. You just ain't want shit that happened with him to happen to me. And I was just trying to explain like - you feel me - I don't think it would. But if it did, I'm my own man and I need to learn that shit myself if that's gonna be what it's gonna be.

Adam22

Right.

Trippie Redd

And we kind of didn't see eye-to-eye to it. Because one time he came over and he said I wasn't paying him no attention - like -

Adam22

He was like that. He was needy. He was needy, right?

Trippie Redd

Yeah - I mean, he just - he fucked with me, you know what I'm saying? So he always wanted to be 'Trippie Blue' and 'ZZZ'. Which - I fucked with that shit. That's hard. I grew up without having them too many friends, you know I'm saying? So I admired him run for that. I thought that was cool - how you - how we was so tight and that shit was cool as fuck.

Adam22

Right.

Trippie Redd

I don't think me and anybody else would ever be that - ever be that tight.

Adam22

I mean it's hard when you're on a level like you are - when you're as famous as you are. It's hard to find somebody you really fuck with - that you could actually really spend time with.

Trippie Redd

I could say Yachty.

Adam22

Yachty, okay.

Trippie Redd

Yeah, Yachty. I know him. You know what I'm saying?

Adam22

He's a really good dude.

Trippie Redd

He's genuine. He's positive.

Adam22

He's not on some weird shit.

Trippie Redd

He's a good dude, yeah. Yeah, um - you know what I'm saying? I just - I've been fucking with YoungBoy. I fuck with YoungBoy, too.

Adam22

Love YoungBoy. Yeah, he's a maniac.

Trippie Redd

Hell, yeah. I fuck with him.

Adam22

Yeah, he's crazy.

Trippie Redd

I don't know bro too much though - so I can't really - but I fuck with dude.

Adam22

I was in the studio with him for a little bit trying to - I was - I was just talking to him non-stop the whole time - I'm trying to understand this motherfucker.

Trippie Redd

Yeah, he's real. You can't understand him if he don't - if he don't want you to understand him.

Adam22

Would you ever get a tattoo of another rapper - like Kevin Gates got the NBA YoungBoy tattoo?

Trippie Redd

Wayne.

Adam22

Wayne? You got it?

Trippie Redd

Yeah.

Adam22

Just Wayne?

Trippie Redd

Kurt Cobane. And that's not a rapper. I'm just saying - like people that influence me. I get them tattooed.

Adam22

Mhmm. You think that when we look back on the shit - 10, 20 years from now - that people will put X in the same categories people at Kurt Cobane and Tupac?

Trippie Redd

Yeah. Why not? I feel like the world be clouded - stuck in a box - thinking negative, you know I'm saying? They don't really think of this generation - of what it is - like they can't see the light on certain people. But you need to see the light on certain people because certain people are bigger than what you think. In that proved - you know what I'm saying?

Adam22

I mean, yeah, there's like something about certain artists that their music - their career - could be so meaningful that they sort of like shift everybody else's music in a large way and like I feel like his impact kind of had that in a way - where it's just a lot of other people even if they didn't realize it, his impact on the game was just sort of like changing the way that a lot of people were doing things and that's kind of like one of the biggest signs of just being a legend - and you got her on the Black and Mils too?

Aylek\$

Shit... when I can't get to the green, I got to get to this... black.

Adam22

So you can't smoke weed?

Aylek\$

Who, me? I can.

Trippie Redd

When she away from me.

Adam22

You don't let her smoke weed when she's around you?

Trippie Redd

Hell, nah.

Adam22

How long until you just smoke again?

Trippie Redd

Shit... it's up to the judge.

Adam22

How do you feel about that? Are you like longing for it?

Trippie Redd

Hell, nah. I'm ain't no drug addict.

Adam22

You're over it now?

Trippie Redd

I can live without that shit.

Adam22

Do you feel like you're gonna get - be able to smoke weed and then you're actually just gonna start again? Or are you gonna just be like, Fuck it. I'm not gonna start."

Aylek\$

Nah, he has to.

Adam22

Yeah, you have too.

Trippie Redd

I don't know even know at this point. It's kind of like a thinking process like - probably not.

Adam22

You think it's changed your music?

Trippie Redd

I'm more in tune, you know what I'm saying? Like - I'm here.

Adam22

Yeah.

Trippie Redd

I think what I used to try to do is - get there.

Adam22

Right. You're always kind of fighting to get to a different point - especially with like the lean and everything like - people are always trying to find a different level.

Trippie Redd

I don't even understand how niggas do that. But I mean - hey, it's their cup of tea. It's not mine.

Adam22

You've been off the lean for a while? I think I seen you with a cup when I first met you.

Trippie Redd

I was rocking it.

Aylek\$

That's some occasion-shit. Niggas be doing that shit like every single day like -

Adam22

Right.

Aylek\$

Damn, like -

Adam22

I agree. I think lean's a nice occasion-thing.

Trippie Redd

Well, it's because it's like liquid heroin. Once you get on it, it's over. You're on it.

Adam22

Only when you get sick.

Trippie Redd

You can't live without your drink.

Adam22

You're friends with a lot of people are like that, right? It gets kind of sad after a while.

Trippie Redd

I don't even think I got friends like that.

Adam22

What?

Trippie Redd

Hell, nah. I aint' got friends.

Adam22

No?

Trippie Redd

Hell, nah. I got associates or I got family. You know what I'm saying?

Adam22

Do you - are you still on good terms with everybody that you were on that original interview with? You were with Wop recently, weren't you?

Trippie Redd

I fuck with niggas. That's different - they family.

Adam22

Right. Who else do you really feel like you're tight within the rap game? I feel like X was one of the main like - relationships that you had in terms of people that you felt like you understood you.

Trippie Redd

To be honest bro, I ain't cool with none of these niggas. I do me.

Adam22

That's good.

Trippie Redd

Yeah.

Adam22

What the fuck is that on your chain anyway? It's like a fucking some sort of demon, tikki torch looking -

Trippie Redd

You've ain't never played Crash Bandicoot?

Adam22

Oh, yeah.

Trippie Redd

The evil mask - Uka Uka.

Adam22

Wow, you're taking me back. I haven't played Crash Bandicoot since I was like 14. Big 14.

Trippie Redd

That's my shit, bro. I used to play all the Crash Bandicoots. I had all of them on the PlayStation 2 and 1.

Adam22

You still game?

Aylek\$

When does he not?

Trippie Redd

Why? You know I game, bruh.

Adam22

What is it? It's Fortnite season?

Trippie Redd

Come on, bruh.

Aylek\$

They made the thing where you could bring your game with you and - and you could do whatever you want while you're - bruh, you're not getting that shit.

Trippie Redd

I'm getting it, bro. I would've in this bitch playing Fortnite talking to you.

Adam22

For real?

Trippie Redd

Hell, yeah - shit. I mean - but - I gotta -

Adam22

How deep - how deep are you in the Fortnite game?

Trippie Redd

Oh -

Adam22

Like -

Trippie Redd

Deep.

Adam22

You're - you're deep.

Trippie Redd

I got all the skins.

Adam22

Are you better than Ninja?

Trippie Redd

See, give Ninja an Xbox controller.

Adam22

Mmm.

Trippie Redd

Then talk to me.

Adam22

Right.

Trippie Redd

But he got that advantage where he could just - <sound effect> You feel me? He can move that mouse and just pow!

Adam22

Right.

Trippie Redd

Pop your ass like - I got to move the analog - try and fast - you know what I'm saying like -

Adam22

If you get real serious about it, you got to switch to the keyboard and shit pretty much?

Trippie Redd

No, I would never be - I'm sorry. I just can't do the PC-shit. I don't know. I don't see how niggas do it.

Adam22

I mean Ninja doesn't have any face tattoos. So really, what the fuck is he doing?

Trippie Redd

He shouldn't. He too - he - he a big influence on a lot of - lot of younger kids. I'm a big influence on young kids too, but it's different. We two different people, you know what I'm saying? Like, I came from something different - I came from something - struggle life, you know what I'm saying? Like he came from - he - he's him, you know what I'm saying? He's Ninja. Mom probably rich.

Adam22

You think?

Trippie Redd

Dad probably rich. Even if they're not rich, he still came from a good home. You can tell about him.

Adam22

He's making a stupid amount of money right now. We gotta rob him.

Trippie Redd

Hell, yeah. He's making hella money.

Adam22

Does that make you just kind of want to hang out the rap thing? Just be like, "I'm doing on Twitch. Fuck this shit."

Trippie Redd

Hell, nah. We both -

Adam22

When's your project coming out?

Trippie Redd

My album?

Adam22

Yeah.

Trippie Redd

Secret. Top secret.

Adam22

It's still secret? You're not willing to do the release date thing? What about like a quarter? What about a multi-month span?

Trippie Redd

It's called, "Life's a Trip". It's gonna be a lot of songs - not too many though. I cut a lot of them.

Adam22

You've been working on it for so long and you make so much music, you must have to cut a shit load at this point, right?

Trippie Redd

Yeah, I had like 30-something songs. Cut it down. They all have potential to be on it. It's to the point where I wanted to put every damn song on it. But, shit... that shit gonna be hard as fuck when it drop. I'm ain't gonna lie - it's like real versatile - rock, rap, R&B Trippie - Trippie -

Adam22

Trippie, Trippie Redd.

[THROWS WATER]

Adam22

He told me we were gonna do that. This lit poppy shirt has seen better days now. So that was it. Now - we should probably - we should tell the world about our idea that inspired that right there. We were talking before and I was like, "Throw that water if there's anything really off the wall that I say you got a hit me with the water." And he was like, "Oh, hell yeah!" I probably shouldn't have gave you that idea. But -

Trippie Redd

I hope y'all waiting on the grand finale. I know he's gonna ask some stupid shit and all this - matter of fact -

Aylek\$

Yo, take this Mild. This shit make me feel like I'm losing a -

Adam22

Oh God, I'll call in reinforcements - here. But the thing about it is, in our version of it that we thought up, is that there's got to be like advanced levels to it too - like you got to be able to hit a button and I fall into a tank of water.

Trippie Redd

Bro, you got to be able to hit a button and a slime bucket just... slime his ass.

Adam22

Slime would be good too.

Trippie Redd

Slime his ass. Shout out Thug. Slime his ass.

Adam22

Yeah, yeah. That's the important question I'm supposed to ask is: Who's gonna be on the album?

Trippie Redd

Thug is.

Adam22

See that's what I thought you were gonna say. That's the only one you can confirm?

Trippie Redd

I don't want to give too much.

[THROWS WATER]

Adam22

Uh-oh.

Trippie Redd

My - my ammunitions.

Adam22

My weapon? Okay, how about this? What's the state of affairs with your rainbow-haired friend that you haven't publicly beefed with in quite some time?

[THROWS WATER]

Adam22

That's not allowed? Oh, God damn it. I can't believe that was it.

Trippie Redd

I didn't want to do that to you. I hope I didn't fuck up shit. I'll pay for it.

Adam22

No, that's alright. So that was - that's something that you feel passionately that you want to talk about?

Trippie Redd

We're here to talk about Trippie Redd. Trippie, mother-fucking, Redd -

Adam22

So that - let's just confirm though. That whole saga is in the past for you?

Trippie Redd

T-R-I-P-P-I-E R-E-D-D

Adam22

But that's all the past?

Trippie Redd

D-I-G-1-4 T-R-6-6-6 L-I-L-1-4 - was my prior analysis - you know I'm saying? That's who I was before. But now I'm big 4 team so -

Adam22

That's very illuminating. I understand. I totally understand.

Trippie Redd

We don't worry about shit like that. We just leave that shit in the shadows.

Adam22

Well, that's good. Um - so what else is important that we need to talk about -

Trippie Redd

You need a towel? You cold?

Adam22

Huh?

Trippie Redd

You need a towel? You cold?

Adam22

No, no. We were ready for that. We talked about it. I'm happy it happened. I feel like it's good - it's great because we're gonna go on fucking World Star and Akademiks right there off of that. Because we were saying before it's like we got to do something to make this go viral And my first idea was the big cup of soda and then we arrived on the water. I just -

Trippie Redd

You said the word 'viral' like the way ex always said it like - because we show that we troll 'viral'.

Adam22

That's is funny - but then I was the one that said we should do something viral to make this go crazy and then we started talking about the water. But I'm gonna be honest. I didn't really think you're gonna do it.

Trippie Redd

You didn't? You can't put an idea like that in the head of a clout demon.

Adam22

Bro, but you don't even understand how crazy my week has been because of people beefing on the podcast and making shit go viral. It's been fucking crazy, bro. You know how many of the stupid ass shirts that's sold?

Trippie Redd

What was the shirt?

Adam22

nojumper.com. Oh, that's that the shirt, right there. Boom. You dumped in the water on me. That's a shirt, right?

Trippie Redd

That's a collab.

Adam22

That's a collab - what kind of cut you want? Thinking one and a half percent.

Trippie Redd

0.1.

Adam22

Oh, yeah, that is more fair. How much money you got in the bank?

Trippie Redd

I got a million in jewelry - well, over a million.

Adam22

Do you really?

Trippie Redd

About 1.3.

Adam22

What percentage of it is being worn right now?

Trippie Redd

I mean she got on this. This is 300.

Adam22

I'm still baffled by that thing.

Trippie Redd

350.

Adam22

The mace.

Trippie Redd

This right here is 100.

Adam22

Big Jesus. Honcho.

Trippie Redd

So, that's 450. This is um -

Adam22

Jesus.

Trippie Redd

It's like 80,000. This right here: 20,000. This is um - how much was this one? Like 12.5. This one? 12.4. So, you know - ain't much of a difference - it's just iced-out more on the back than this one is.

Adam22

We can see all the ice right now though? There's not like a iced-out toe ring or anything?

Trippie Redd

Nah, nah, nah.

Adam22

No? That's not lit?

Trippie Redd

Oh, that's lit. This about -

Aylek\$

I gotta get that.

Adam22

Toe ring! Yeah, this is probably better for you.

Trippie Redd

30 right here. This is actually more than a G-shock. G-shock was like 20 and then this piece right here was 500.

Adam22

You guys ever thought we're doing a song together?

Aylek\$

We have songs together.

Adam22

That are out?

Aylek\$

No.

Trippie Redd

Nah.

Adam22

Why aren't they out? And what do you think is the future of that?

Trippie Redd

Because we're just waiting to break the Internet because this shit hard as fuck.

Adam22

Has it been weird becoming like - way more famous due to this guy?

Aylek\$

Weird? Kind of. But, it's whatever. It is what it is.

Adam22

It's what you signed up for? How do you - a lot of rappers are kind of like - they try to keep their girl on the background - they ain't shouting her out. They don't want people to really know. What keeps you from being that kind of guy?

Trippie Redd

Try me.

Adam22

Huh?

Trippie Redd

Try me.

Adam22

Try me?

Trippie Redd

You know how them - um them little teddy bears be - that say 'Try Me'. You press the button and they're like, "Aaaaaah."

Adam22

Yeah.

Trippie Redd

Try me. Press a button.

Adam22

Press a button.

Aylek\$

Press a button.

Adam22

What the fuck does that mean?

Trippie Redd

Whatever niggas want to make it.

Adam22

Strange. That was a weird answer. I'm gonna be honest. I don't know what you were going for. They're probably gonna be like, "Adam ain't with this shit. Adam doesn't understand the teddy bear reference."

Trippie Redd

Ain't that the reason I'm so - VIRAL! CLOUD!

Adam22

Do you think you made the Black and Mild company a lot of money? You've been promoting their product pretty hard.

Aylek\$

Hell, yeah.

Adam22

You need that endorsement.

Trippie Redd

Hell, no.

Adam22

Next Trippie tour, sponsored by Black and Mild.

Trippie Redd

Fuck that shit.

Adam22

No? Fuck Backwoods. They ain't sponsoring this tour. Black and Mild gotta get on this.

Trippie Redd

I heard Backwoods is going out of business.

Adam22

That would be weird.

Aylek\$

I would be sad.

Trippie Redd

Yeah. They uh -

Aylek\$

I'm not trynna have -

Trippie Redd

They stopped putting them in a lot of places in Atlanta - on some weird shit.

Aylek\$

For real?

Trippie Redd

Yeah, like they're saying that in the factory - it's like little bugs and shit or some shit that's getting into the -

Aylek\$

I'm down, man. I'll smoke a bug.

Trippie Redd

The shit, bro. Like in the little wraps.

Aylek\$

You scared to smoke a bug?

Trippie Redd

Niggas get diseases out of it and shit.

Aylek\$

Haha, "you scared to smoke a bug?"

Trippie Redd

I ain't scared. I got God on my side.

Aylek\$

Who's calling me from a private number?

Adam22

So, she got the No Caller ID coming in right now. That's clout right there. You're getting - your getting stalked.

[ANSWERS CALL]

Trippie Redd

Hello? Hello?

Adam22

They were shook.

Aylek\$

That was some horror movie shit.

Adam22

What the fuck?

Trippie Redd

You just hear -

Adam22

"You got two minutes to live. We're coming to the star."

Trippie Redd

Bro, if we could turn that up and we - we see what the fuck they were saying because I didn't even -

Adam22

We should - we should edit that in, now. Nah, it felt like a pocket-dial or something.

Trippie Redd

It feel like somebody was just talking.

Adam22

I feel like -

Trippie Redd

I kind of sounded like - we was in the background.

Aylek\$

Background noise.

Trippie Redd

Kind of like - kind of sounded like somebody was calling me like, "Is this Trippie?"

Aylek\$

Yo! They're calling back!

Trippie Redd

Uh-oh.

Adam22

You should not pick those up that's just gonna encourage more people to call. Oh, God.

Trippie Redd

Oh, you can't because it's private.

[ANSWERS CALL]

Aylek\$

Yeah?

Adam22

A day - a day in the life of a girl. This is just what life is like for girls. You're getting threatening, weird, fucking creepy calls. So, I'm ready to hear you guys on song together. You want to just like drop a freestyle together right now? That'd be cool.

Trippie Redd

Freestyle? Hell, no.

Adam22

No? So that's not happening? Okay. I had to shoot my shot.

Trippie Redd

Give my friend some Fortnite clout real quick.

Adam22

Fortnite clout.

Aylek\$

Oh my gosh.

Adam22

This is one of your Fortnite homies?

Trippie Redd

This is like family.

Little Sister

Hello.

Trippie Redd

Hello. Detained.

Adam22

Who's that?

Trippie Redd

What's up little girl. My little sister. Are y'all watching us right?

Adam22

Who is it? Is it your family?

Little Sister

She be like, "1400 GANG! She be going crazy. She loves me."

Adam22

How many people we got watching this, Chris? 15k? Not bad.

Trippie Redd

He be talking about slit man. Hey, nobody got more duo wins the me and Jacob.

Jacob

You gotta bring up the - bring up the skin.

Trippie Redd

Pull up the skin for him one time.

Adam22

What was - what was the reaction in the room like - when he dumped the water on me?

That's all I want to know.

Trippie Redd

What was -

Adam22

What was the room like?

Trippie Redd

What was your reaction when I threw the water on him, Jacob?

Jacob

I was like, "That's a fact."

Adam22

That's some rapper shit.

Trippie Redd

Wet a nigga up.

Adam22

That's why you get along with Chief Keef and them. They're all about the wetting each other. And they're sort sitting around, you know? That's like a Glow Gang thing. I feel like he brought that to the table.

Trippie Redd

Bro, I got the weirdest picture of Thanos sent to me by this nigga.

Aylek\$

Oh my god! No! Is it the one you just -

Adam22

Who is that? Some fucking video game shit? Some fucking comic book shit or what?

Trippie Redd

The nigga from uh - from - what's that shit called?

Adam22

Whatever it is, I ain't seen it.

Trippie Redd

Uh - yeah - nah, nah, nah, nah - uh.

Adam22

Avengers.

Trippie Redd

The new one, yeah.

Adam22

I just guessed it. You see that?

Trippie Redd

Bruh, they was meme-ing him.

Adam22

I saw a tweet.

Trippie Redd

Because my friend likes memes and shit.

Aylek\$

Damn, why that shit not playing? Oh, shit.

Trippie Redd

You don't you want to know what the rest of the picture -

Adam22

Yeah, please don't show a cock on the live stream.

Trippie Redd

It's like -

Adam22

So let's talk more about why you have like cartoon porn on your fucking phone. You guys ever watch porn together? That was a good question.

Aylek\$

Oh my gosh.

Adam22

Relationship question. No? Was that too weird?

Trippie Redd

Hell, no.

Aylek\$

Nah, we got our own porn. Nah, I'm playing, chill. We not finna drop that.

Adam22

Let's drop that. Let's drop it on stream.

Trippie Redd

They might be trying to hack the fuck out of us now.

Aylek\$

No!

Trippie Redd

Nah, we ain't even got that. Shit - I don't watch that shit. She don't watch that shit. I'm mean... not that I know of - I mean...

Aylek\$

Shit... not that I know of... wink.

Adam22

Anyway. You got any - you got any drip tips for the people at home?

Aylek\$

Damn, it's hot as fuck in here.

Trippie Redd

Whatchu mean drip tips? Like -

Adam22

You know what's hot in the streets - in terms of drip and everything. I feel like - because we did a pop-up - pop-up with the Ammo Stilo bag company the other day - who I was saying I feel like you kind of gave them the biggest boost.

Trippie Redd

Yeah, Ammo Stilo - gang affiliation.

Adam22

Shout out to them.

Trippie Redd

Yeah, um - other than that like - I don't know. I like trench coats. I fuck with trench coats. Not even trench coats - trench jackets - like - like little trenches - like rare shit - like I got a Burberry trench that's rare as fuck - see-through. I took a picture and they was like, "He's wearing a trash bag."

Adam22

Is that the thing you're wearing the other day that - uh - who was it?

Trippie Redd

Nah, nah, nah. Two said it looked like a - like a condom - like a pink condom.

Adam22

Yeah, everybody was trying to get their best roasts in - in the comments on that one photo recently that kind of looked like a dress. Everybody's trying to get some jokes off.

Trippie Redd

Hell, yeah. That shit was fire. Fashion icon.

Adam22

Fashion Nova. Anyway, shout out to our sponsor, Fashion Nova.

Aylek\$

I kinda fuck with Fashion Nova. I feel like they fuck with me.

Adam22

I feel like you could get that brand deal. It's not as good as you think though. I've heard a lot. I feel like if you're Bhad Bhabie or Cardi B, it's probably pretty lit. But you got to be pretty huge for them to not just be like giving out free clothes. Well, you could do Fashion Nova's men - Fashion Nova mens by Trippie Redd.

Trippie Redd

It's possible. Anything's possible.

Adam22

Anyway, you want to wrap this up?

Trippie Redd

It's up to you.

Adam22

I feel like it was a good conversation. I learned a lot. We didn't talk about the Double XL Experience and why you sort of bailed on the freestyle thing.

Trippie Redd

Bro, I didn't bail on it, bruh. I was at Double XL - about to do this shit and they said, "There was problem." That people were coming and I had to leave and then when I left, I did my shit in Atlanta. I did my uh - motherfucking freestyle in Atlanta. I didn't even do it -

Adam22

Really?

Trippie Redd

- there with everybody else.

Adam22

Wait, so who was coming that you had to leave?

Trippie Redd

Hmm?

Adam22

Who was coming that you had to leave?

Trippie Redd

Like the security there was saying that I should go - that I was being threatened or some shit - and I thought nothing of it, but they was just insistent like - "Shit... fuck it." So I did what I had to do.

Adam22

Damn, that's crazy. But then, they acted like you just fronted on them?

Trippie Redd

What? That's what they was saying?

Adam22

I don't know. I felt like that was sort of the way they were acting - was that like you just didn't want to do it or something.

Trippie Redd

Nah, I just headlined their show. I was supposed to headline the last one in New York.

Adam22

What happened in New York?

Trippie Redd

Tessa loves me bro.

Adam22

Does she? That's good. I met her the other day for the first time.

Trippie Redd

That's my auntie.

Adam22

Yeah, I wanted to ask - oh, yeah - what's - what's the situation with you getting locked up? I'm sure you don't want to talk about it but I have to at least pretend to ask you about it.

[THROWS WATER]

Adam22

Oh, that one actually went in my mouth.

Trippie Redd

You were - you needed something to drink, bro. You needed some milk.

Adam22

You could have just not answered it.

Aylek\$

You need some milk!

Trippie Redd

You know what I'm saying? I had to refresh you.

Adam22

Nah, that wasn't so bad.

Trippie Redd

He was like, "Trippie - something! Hit me with the water one more time!" Like, what the fuck?

Adam22

But is it viral enough? Or are they are they gonna actually gonna like it? Like the world out there? Are they gonna think it's kind of like predictable?

Trippie Redd

What?

Adam22

The water. Are they gonna sort of be able to tell that it was like - planned out? Or they're just not gonna care? They don't even care when shit's fake.

Trippie Redd

I mean it's not even like fake or planned out. I mean it was - you said, "If you asked dumb shit, drench the water." So I was like, "Shit, okay." So, I just did what I have to do.

Adam22

I think it was a good look. And it gives me a chance to show off how patient I am - how patient I am. God, I'm so such a nice guy that I was like - let my guest to sort of drench me with water.

Trippie Redd

Stay hydrated kids.

Aylek\$

H2O.

Adam22

That is important.

Trippie Redd

Drink a lot of water.

Adam22

Do you feel like you drink enough water?

Trippie Redd

Why do you say that?

Adam22

I don't know. I just I feel like a lot of -

Aylek\$

Nah, we're supposed to be drinking like 5+ bottles a day.

Adam22

I think a lot of people are dehydrated and they don't know it.

Trippie Redd

How much are you supposed to drink a day?

Adam22

I don't know. A lot.

Aylek\$

Like 5 bottles.

Adam22

At least a gallon. I think a gallon. You don't think? I drink easily a gallon a day.

Trippie Redd

That's a lot.

Adam22

But I'm a very large person.

Trippie Redd

That's a lot.

Adam22

You don't think you can drink a gallon a day?

Trippie Redd

And then like when people say you need to drink more water than like lemonade or something shit - like nigga, how the fuck do you think they make the lemonade?

Aylek\$

Yo, nah.

Trippie Redd

With water, dumbass.

Adam22

But does lemonade contribute to your daily water?

Trippie Redd

I drink water all day. I drink water, bro.

Aylek\$

Nah, we need to drink more water.

Trippie Redd

My favorite drink is cranberry juice.

Aylek\$

That's healthy too, but you know -

Trippie Redd

It makes you dehydrated but then, guess what I drink after that?

Aylek\$

Cap.

Trippie Redd

Cap.

Adam22

I can't - like drink lean or anything without having to have a lot of water. It makes my mouth just feel so sticky.

Aylek\$

I can't smoke without having water.

Adam22

Oh, yeah - that too.

Trippie Redd

Why do you even drink that shit - don't drink that shit.

Adam22

Eh, still - once in a blue -

Trippie Redd

That's bad.

Adam22

Big drank.

Aylek\$

"I don't know a thing about pain. I just keep on sipping my drank." I love that song. Oh, my God.

Adam22

Alright, who do you want to thank before we wrap this up?

Trippie Redd

My mom. Thank you, mom.

Adam22

Shout out mom.

Trippie Redd

Uh, shit... Thanks Oomp. Thanks X. Thanks Two. Thanks security in the other room.

Adam22

Yeah, you gotta stay safe.

Trippie Redd

Thanks family.

Adam22

Alright, there you go. Hey, everybody go buy some fucking clothing from nojumper.com if you enjoyed this interview.

Trippie Redd

He wanted me to say, "Get the No Jumper drip." Ay -

Adam22

Oh, I wasn't thinking about that.

Trippie Redd

He about - he about to hook me up with some so don't even worry about it.

Adam22

You want some drip? We got drip.

Aylek\$

Drip.

Trippie Redd

Gimme some drip. I wanna -

Adam22

I need that.

Trippie Redd

Get me a bike too.

Adam22

No - oh, yeah. We'll give you a bike. But I need - you know what I need your help with?

Trippie Redd

What?

Adam22

I'm at like 850k, bro. You could get me that million, come on. Just boom. Just say, "Hey, 1400 gang, follow this idiot." Boom. I got a million.

Trippie Redd

Alright, so look.

Adam22

And then I'll owe you.

Trippie Redd

So look.

Adam22

I'll be your assistant.

Trippie Redd

So look. Guess what?

[THROWS WATER]

Adam22

I feel like at a certain point - it was almost like too much. I feel like Nardwuar. You just gonna take the shirt off? What is this about? You want me show my... I feel like I turned into Nardwuar in this interview because I just sort of let you just have your way with me. I feel kind of weird. I don't know what I just got into. What are you doing? You starting a fire? You gonna smoke out of that?

Trippie Redd

Trynna burn this bitch up. No more interviews.

Adam22

Alright, hey, shout out everybody who watched this. I gotta go find a different shirt. Oh, is this where the shout out comes in?

Aylek\$

Oh, my God.

[Trippie Sings]

Adam22

Where's the mouse? We gotta end this.

Chris

You done?

Adam22

Yeah.

Chris

Do you want to stay on stream or get off stream?

Adam22

You can stay on stream for a little bit, right? Viral! I had to get my shirt wet, but we went viral. I'm pretty sure. What's everybody doing? I gotta see the stream.

Aylek\$

Oh, my God! Stop!

Adam22

I keep thinking there's gonna be like a wire that gets attached, but I guess we're actually totally clear of the wires over here. That's nice.

Trippie Redd

Are we still on?

Adam22

Yeah, we're still on stream.

Trippie Redd

What the hell is that?

Adam22

You know, it's like Instagram live - but before, we were doing like the podcast. Now - we still got 13k in here.

Trippie Redd

Oh, okay.

Adam22

People are... "That was weird. Sus AF." "Adam - flip out on him."

Trippie Redd

I'd beat Adam's ass. Adam don't want no smoke.

Chris

Someone said, "I want to have intercourse with his..." Okay, I'm not gonna finish that.

Trippie Redd

What? Whatchu wanna do?

Adam22

Get into the chat? You're gonna learn a lot. Hey, we gotta make sure we get the photo of him standing against the wall before we - before they dip out.

Trippie Redd

Love you too. I seen that. Love you too.

Adam22

"Make a new shirt a Trippie pouring the water." That's what I'm saying

Trippie Redd

Damn, it's only the damn comments. You can't see shit. "I love you Trip."

Adam22

Weirdest thing about this the whole interview is that I was sitting on this side. We didn't even talk about anything, but they were over there. So I was like I was just sitting over here. First time I ever did that - I think. But I used to always be on the right in the old store.

Trippie Redd

You know who my favorite character from mother-fucking Adventure Time was?

Adam22

What's that? I don't even know. But yeah, okay, tell me.

Trippie Redd

You don't know what 'Adventure Time' is, nigga?

Aylek\$

What the fuck?

Trippie Redd

It's Jake the Dog and Finn the Human.

Adam22

I'm 34.

Chris

Yeah, I'm 34 and I know what it is.

Aylek\$

You better know 'Rick and Morty'.

Adam22

You have a kid.

Aylek\$

You better know 'Rick and Morty'.

Adam22

I watch 'Rick and Morty'. You have a child, Chris.

Chris

Who's your favorite character?

Adam22

On Rick and Morty? Rick, followed closely by Morty. I don't know. I haven't been watching in a while actually. I don't know if I have a good opinion on that. Yeah, they definitely have some songs they want me to play.

Trippie Redd

I'm already a pussy.

Adam22

I feel like - actually, let's just end this so that we could just have this file stay up on here. And then we'll just get on - guys, we're about to stop streaming and then start another one so the Trippie interview can just stay live on here, right?

Chris

Well, I ended the other one always but whatever - whatever you want to do.

Adam22

Yeah. We'll just end. Stop streaming gang. Much love to everybody.

Trippie Redd

Positivity. Positivity.

Adam22

And we're gonna start over streaming - again, in moments - moments - we'll be back. All the songs will be played. If you want to get your song played, it's \$75 on streamlabs.com, No Jumper.

Trippie Redd

Go give - go give a random person a dollar.

Adam22

Go give a random person a blumpkin.

Trippie Redd

And tell them that you are there for them.

Aylek\$

Oh, my gosh.

Adam22

Hey, I changed your life because you learned about that.

Aylek\$

Bro.

Adam22

Medium gang. Alright much love to everybody. We'll be back in a moment.
