Adam22

No Jumper - coolest podcast in the world. And today we have the one and only -

Bhad Bhabie

Bhad Bhabie, bitch.

Adam22

There it is - Danielle Bregoli. How you feeling?

Bhad Bhabie

Good.

Adam22

I'm excited to have you on here. People have like always kind of wondered if it would ever happen - if our paths would cross. You just said you've been here seven times.

Bhad Bhabie

Not exactly seven - like around seven-ish.

Adam22

I saw you get your nails done in back during a Rico Nasty meet-and-greet. So getting your nails done back here - that's pretty - pretty personal. Though, it's not like I did your nails. It was like a whole station. They were doing a lot of nails back there.

Bhad Bhabie

Yeah. Those were my favorite nails that I've ever got.

Adam22

Yeah.

Bhad Bhabie

Those nails were poppin'.

Adam22

Amazing. Anyway, yeah - so this is the question. Do you want to do a regular interview? Or do you want to do an interview that's a regular interview but starts out with us talking about the RiceGum shit that happened today? Because I know you've seen it. I know -

Bhad Bhabie

I didn't actually.

Adam22

You didn't see it?

Bhad Bhabie

I did not see it because I didn't give a fuck.

Adam22

You want me to tell you some of the things that he said?

Bhad Bhabie

You can go ahead because I didn't fucking see it.

Adam22

I thought some of it was a little inappropriate when we honest with you.

Bhad Bhabie

He's very -

Adam22

Well, he said, "You look like a rat." That's one thing that I -

Bhad Bhabie

Hahahaha.

Adam22

Multiple times - multiple times, the rat accusation was thrown around.

Bhad Bhabie

I wonder where he got that from. Frank?

Adam22

Oh. She's blaming her security guard right now. Wait, he says that about you?

Bhad Bhabie

Well, that's his - that's his number one, go-to insult to me.

Adam22

So did you meet him as your security guard? Or -

Bhad Bhabie

Yeah, sadly.

Adam22

Because it seems like you guys are very close now.

Bhad Bhabie

You know when you're with someone every day, it - it happens.

Adam22

Mhmm. Right. You even dropped his salary in a song - which I thought was pretty impressive because I - you know - a lot of people don't think -

Bhad Bhabie

He makes less than that though - don't - don't get it twisted.

Adam22

Oh, you exaggerated on his behalf?

Bhad Bhabie

He makes like \$3 a day.

Adam22

Oh, okay. Very nice. I like that though. It's like - you know - you're around somebody so much, you might as well just start - you know - being friends with them, right?

Bhad Bhabie

I mean - it's more forced than I've ever -

Adam22

It's forced?

Bhad Bhabie

Yeah.

Adam22

Because you guys are -

Bhad Bhabie

It's definitely forced.

Adam22

Just - you have to have him?

Bhad Bhabie

Like I have to him here or else I'll like lose my sanity.

Adam22

Right. Well, you'd probably also just end up in a bunch of -

Bhad Bhabie

Like, we were in New York and my - we were staying at my grandmother's house - me and my mom - and then he was staying at this hotel - I'm talking about literally across the - I'm not - like right across the street literally - and I didn't sleep the whole night because I was having separation anxiety.

Adam22

From him?

Bhad Bhabie

Yes.

Adam22

Really?

Bhad Bhabie

I'm serious - that's what happened.

Adam22

It's like - you're like childhood teddy bear now at this point in your life.

Bhad Bhabie

Yes.

Adam22

Except - except he's like 240 pounds and looks like he's probably killed somebody before. Maybe not literally.

Bhad Bhabie

Probably?

Adam22

No. He's just - probably manhandled some people before.

Bhad Bhabie

Some people.

Adam22

What's the craziest thing you've ever seen him have to do in terms of like protecting you?

Bhad Bhabie

I mean, usually people don't try because he just looks like - how he looks. Kind of - just like - don't do anything because they know better. And other people who - just like - there's - there's some people who just don't give a fuck and they'll just go to talking shit - but they don't ever get close enough. Like they just - we had one incident with the Grove and Frank was gonna like grab him by his throat - that was about all that happened.

Adam22

A dude who was bothering you?

Bhad Bhabie

It was like some little-ass kid and he was, "Like, will you really square up though?" And Frank was like, "No, but I will." And then, he like ran away with his friends. So that's like - as far as we got - but I just recently got to watch Frank beat up -

Adam22

Really? On your behalf?

Bhad Bhabie

In my backyard.

Adam22

Someone in your backyard started something?

Bhad Bhabie

They were - they were really slapboxing - but you know - Frank doesn't how to play fight.

Adam22

Really? Oh, so it was his own little slapboxing thing. Okay, I got you. Alright, you want - you want me to tell you another thing RiceGum said?

Bhad Bhabie

Sure.

Adam22

He said, "Keep bragging about them - about you getting money, but the label taking half."

Bhad Bhabie

Mmm.

Adam22

So he's claiming that he knows what's up -

Bhad Bhabie

I don't think so.

Adam22

- with your contracts. Probably not. That's not really how -

Bhad Bhabie

I promise - I promise you, he's never even seen a contract in his life.

Adam22

Oof.

Bhad Bhabie

So, how is gonna tell me -

Adam22

Okay, but in his opinion, you've talked a bunch of shit about him.

Bhad Bhabie

So?

Adam22

But, what is - what is it that you don't like -

Bhad Bhabie

I'm allowed to do that. You're not. See this what - you gotta - these bitches have to understand. We're not equal.

Adam22

Mmhmm.

Bhad Bhabie

We're not equal like - when a teacher tells you something, you just do. You don't talk back to the teacher. Well, you're not supposed to - but I mean, don't take advice from me. But you're not supposed to like - you're - you know I mean? Like - you're supposed to listen.

Adam22

You're the teacher - RiceGum is the the student.

Bhad Bhabie

Yes.

Adam22

Why do you feel like that is?

Bhad Bhabie

Like - bitch, you're my son. Like - the fuck? Sit down.

Adam22

You think he was influenced by you?

Bhad Bhabie

I mean, I think he's more slick now - ever since I came along. A lot of these bitches do that because - listen, I know I know one bitch right - never got her nails long - told me my nails were ugly long - who never cursed - never did none of that shit - now she be on: "Oh, bitch - fuck - dllrrrra - slut - bitch - ho - pussy - ho - dllrrrra" - with her nails long as hell. Like - get the fuck out of my face.

Adam22

Yeah. You've been doing that for a long time? Having the ridiculously long nails? How the fuck do you type with that?

Bhad Bhabie

Same way you type.

Adam22

I type with like - with my mitts. It's like I'm a fucking bear - just smashing away on the keys.

Bhad Bhabie

So do I.

Adam22

I can't imagine. No - I've seen my girlfriend do it. Yeah, you keep them floating above it - sort of. It's cool. Yeah, some of the other things he said were kind of mean, in general. I don't know if we should necessarily dig in on it.

Bhad Bhabie

No, go ahead. Tell me. I want to know.

Adam22

Some of it just seems kind of inappropriate for me to even repeat.

Bhad Bhabie

You want me to just read it off there?

Adam22

Yeah. You wanna -

Bhad Bhabie

I love how -

Adam22

You wanna read - read these top two lyrics here? Those are quotes.

Bhad Bhabie

How the fuck are you 14 with rumors that you sleep around? Just like your dad, you're not a girl I want to keep around.

Adam22

Hey, I didn't say it. How do you feel about that? You think that those are pretty good bars? Or do you think that's kind of bad?

Bhad Bhabie

First and foremost, let's get something straight. I'm not. Don't get me wrong, I'll conversate with a lot of dudes who I find attractive. Doesn't mean I'm dating them. Doesn't mean I'm with them. Doesn't mean I have a hold on them. Doesn't mean I've never done anything with them.

Adam22

Mmhmm.

Bhad Bhabie

So just because you've seen me with a dude means that I'm automatically having sex with them? Like come on. Get out of my face.

Adam22

That's offensive.

Bhad Bhabie

Like - I - I took a - took a picture with - not even - I was on Facetime with Kodak. I didn't meet Kodak until fucking 'Day and Night' - until - until that day. I didn't - I never had - never met him until then. And there was already rumors going around, "Oh, she fuck Kodak. Blah, blah, blah." And then, I'm at the studio and I meet - and I meet Jackboy - so we took a picture together. Okay, cool. And then, "Oh, you got to hit just like when Kodak hit?" No!

Adam22

People are just - crazy assumptions, huh?

Bhad Bhabie

There was rumors me and Trippie - there was rumors about - I remember Trippie was going off on people about that shit. Um, who else? There has been so much. Oh, Skies! So like - just like - shut up, please!

Adam22

Yeah, people really just feel the need to just assume, huh? Especially since they would be discussing criminal behavior for a lot of these guys. They are way too old to even be considered in this conversation. But people just assume, huh? It's crazy.

Bhad Bhabie

Fuck you laughing at?

Adam22

I mean, Kodak kind of - like - it felt like he was trolling by having you do the video for him.

Bhad Bhabie

He didn't have me do the video for him.

Adam22

Who did? It was an Atlantic thing?

Bhad Bhabie

No, it was even with Atlantic. I don't even know what fucking Atlantic was.

Adam22

Okay.

Bhad Bhabie

Like -

Adam22

So, how did that happen though?

Bhad Bhabie

We were just shooting a video for my merch and song came on - and I just started going - and that happened. That's it.

Adam22

Really - that was it?

Bhad Bhabie

I mean, like - I guess Kodak got his hands on it and he was like, "Let's make this the 'Everything 1K' video."

Adam22

Right. How do you feel about the fact that RiceGum also had some stuff to say about YoungBoy?

Bhad Bhabie

What did he say?

Adam22

I didn't even write down exactly what he wrote - what he said. I just wrote - he brought up YoungBoy.

Bhad Bhabie

Brought up - what about him though?

Adam22

I don't know - something about - how you weren't treating him right or something.

Bhad Bhabie

That's a very touchy subject because I don't like when people talk about that because you have no idea what happened in that situation.

Adam22

Really?

Bhad Bhabie

No one knows what happened in that situation. No one knows why we're not together. No one knows why he went with some girl I was beefing with. No one knows why - nothing. So when - whenever it comes to YoungBoy - people need to keep their fucking mouth shut because you know absolutely nothing.

Adam22

And is this just information that you're keeping close to your chest? You don't want anybody to know.

Bhad Bhabie

This is just like - listen - me and him - we met - we met through an A&R Atlantic. I had listened to his music way before, right?

Adam22

Mmhmm.

Bhad Bhabie

I'm thinking, "Okay, cool. I'm gonna meet him.", right? So, I go - I go to the studio. I meet him and he - he's like, "Oh, let me get your number.", right? So, I'm like, "Okay." Give him the number. I'm not thinking nothing about it, really. Like, "Okay, he's cool." - whatever. Like, I'm not saying he's ugly but I'm not thinking nothing in my mind, right? And then, we take a picture. He puts his arm around me and I'm like, "Okay." - and meanwhile, he's 17 so and it's my decision anyways. Then today - so if I wanted to pursue anything, I could have.

Adam22

Mmhmm.

Bhad Bhabie

So, we're just - regular-ass conversations - like nothing - nothing - none of that. And then, we just had got in an argument about something and in my mind I'm like, "This can't - this - this - this - this is not gonna work." So, I just -

Adam22

Too intense for you?

Bhad Bhabie

Not to intense for me but just - I see the type of person you are.

Adam22

Mmhmm.

Bhad Bhabie

And I'm not putting myself in that situation because that's how bad shit happens - and I'm - I'm like - and I still stayed cool with him. I never had beef with him or nothing. I just stayed cool with him. But I think - I think what happened, on his part, was he got upset because I understood what he was gonna go - I understood what route he was gonna take - just cuz I have - him - the type person he is - and I was just like, "Alright, cool." And then - I think that's why he ended up with that rat-face bitch.

Adam22

Oof, there we go. Do you - did you see the video of him with the supposed girl in the hotel hallway?

Bhad Bhabie

Yeah.

Adam22

What did you think of that? Was that the kind of stuff you were worried about?

Bhad Bhabie

Um, listen. He - that's why - that's - yes and no - because we - we had it - we had a different type of relationship. It wasn't - we weren't dating - we weren't just friends. We were just like - like we - just like - kind of connected in a way, if that makes sense.

Adam22

Mmhmm.

Bhad Bhabie

Like - so I don't - I don't think - I don't think he would do that if that was me.

Adam22

Mmhmm.

Bhad Bhabie

I just - I don't - and I think that we wouldn't be together for that reason - because he's that type person. He wouldn't want to do that so -

Adam22

There you go. But, do you feel like people blew the relationship up into being something bigger than it was -

Bhad Bhabie

Yes.

Adam22

Just because people like to do that?

Bhad Bhabie

Yes, um - I mean - with those - with those pictures that were posted - all it was he sent me the pictures and um, I'm just like, "Alright, I'mma post one." I posted one with a caption from

one of his songs. And then he did it back and I'm like, "Okay, cool. I guess he's really fucking with me."

Adam22

How do you feel about like trolling, in general - just like - saying ridiculous things on social media in order to get a reaction? Do you think that that's something you do?

Bhad Bhabie

Um... yeah.

Adam22

Or, I guess like the other side of it, is - is everything you do completely sincere and real? Because I think that everybody now, on social media and stuff, kind of has to understand the - the general route that you could take towards - you know - getting people to talk about you. Everybody, sort of is aware. "Oh, if I put some crazy-ass capture on this photo - then everybody's gonna you know leave a hundred thousand comments."

Bhad Bhabie

Like - people know me as a shit-talker - all that. Like - I'm only talking shit because you're in another city - you're in another state - you're out of my reach.

Adam22

Mmmm.

Bhad Bhabie

If you were in front of me, I'd rock your shit. You'd be over with - every week - whether you're a girl, boy, transgender - whatever you are. I don't care.

Adam22

You ever beat up a trans person?

Bhad Bhabie

If they want it.

Adam22

Anybody can get it.

Bhad Bhabie

These hands quad-sexual.

Adam22

I like that you're still down to threaten - like people - generally with violence - which is kind of like - that's how you came into the game and you're like, "Fuck it. I'm gonna keep rocking with it."

Bhad Bhabie

That's how - okay, you know what? People say, "Violence isn't the answer." Yes, it is. These bitches don't learn. But you know - there's some bitches - and I used to be that bitch - because clearly, I was tiny. I really - when I was younger - I really couldn't fight but - I was that - I was that type of bitch that - you could beat the fuck out of me.

Adam22

Mmhmm.

Bhad Bhabie

But next day, I'mma come in - I'mma come up to you - and be like, "You're a pussy-ass bitch..." - that's - that's just how I do shit.

Adam22

Yeah, you just - you never been scared since you were young.

Bhad Bhabie

No, I've never been - I mean - no - I just - no - I just don't like -

Adam22

What were you like before the fame? Like you - like who was Danielle?

Bhad Bhabie

The person I am now - I just talked way more shit.

Adam22

So you had absolutely -

Bhad Bhabie

Now, I have no filter, but then, I had no filter like -

Adam22

Right. And so - but you were - you were still in school and stuff? You still have like a relative?

Bhad Bhabie

No.

Adam22

You'd been taken out of school?

Bhad Bhabie

No, I took myself out of school.

Adam22

Because you were getting in trouble all the time and stuff? Or just hated it?

Bhad Bhabie

No, I just had no reason to be there. I had better things to do outside of school.

Adam22

Mmhmm.

Bhad Bhabie

I knew - I knew how to add and I knew how to subtract. I didn't know how to divide and how to multiply, though.

Adam22

Have you figured out division at this point? Yeah, I mean - they got calculators now. I don't know if you really even need to know that shit.

Bhad Bhabie

Exactly. That's why it's like - as long as you can add, and you can read, and you can write - you don't even know how to be able to spell correctly - just - know how to like -

Adam22

I mean - a lot of people have said that. That it's like - you know - do you really need to know how to do math in an era where everybody's got a calculator - everybody's got Google.

Bhad Bhabie

No.

Adam22

You got that shit in your pocket. You got this little calculator, right here and you can just figure stuff out on your own.

Bhad Bhabie

Exactly. It's like having a nerd.

Adam22

A nerd. Your own personal nerd – it's true. Although, I do think it's handy to be able to do division on the spot – but I mean – at the same time, I don't know. I can't imagine what it would be like not knowing how to do division.

Bhad Bhabie

I don't know, so.

Adam22

Alright, how about this? How about you got 12 eggs and you and your 3 friends are all making a breakfast. How many eggs, reasonably –

Bhad Bhabie

9.

Adam22

There you go.

Bhad Bhabie

Well, that's subtracting!

Adam22

No, it's not. It's like – how many eggs would be allocated to each person if you –

Bhad Bhabie

If you would – if you would have wrote that down – I would not have been able to tell you what it was, really. But he explained it to me.

Adam22

So, maybe, math is good. I don't know. Anyway, okay – so, can you just tell me the circumstances that led up to you being on that show in the first place? I don't want to talk too much about – you know – that whole episode and everything, but I just – do think it's interesting that your mom even thought it was a good idea to bring you on that show in the first place. What the – what was her idea with that?

Bhad Bhabie

My mom gets bored easily.

Adam22

Hahaha.

Bhad Bhabie

No - but um - what it is, is really - she had reached out a long time ago and she was just like, "Alright, well, I'mma just do this.", right? Just like - she never thought he would ever reply back. So three years later, he replies back and then my mom is just like, "Alright, cool."

Adam22

"Let's go on TV."

Bhad Bhabie

Yeah. And it's like, "You're a little dumbass anyway. I can try to get you some help.", right? And so -

Adam22

But were you and your mom like - constantly fighting and bickering before that?

Bhad Bhabie

No! No, we were just like any other person. We just let people see.

Adam22

Right.

Bhad Bhabie

Tell me - tell me you've never argued with your mom before? In your life?

Adam22

Oh, yeah. When I was your age, I was held - I tried to run away. She'd always catch me. She'd catch me like a mile down the street.

Bhad Bhabie

Oh, my mom would catch me too - at other people's houses. Like, I remember one night I - I went under like - in between the box spring and the mattress - and just laid flat - and then a cop flipped over the mattress.

Adam22

The cop showed up because she thought you were missing?

Bhad Bhabie

Every fucking time the cops would come. I'm just like -

Adam22

And you were just -

Bhad Bhabie

There was one time, where I was in the fucking - I was in the shower and she - she thought - I - she thought I - or whatever. I was in the bathroom doing something and she thought I would - ran away. Called the cops. Cop fucking banging on the fucking door. And I'm like, "What happened? Like - what - are you arguing with someone outside? Like, what are you doing?" And she's like, "Oh, there you are." What?

Adam22

Yeah.

Bhad Bhabie

That lady loves to call the police, bro.

Adam22

That's crazy.

Bhad Bhabie

Bruh.

Adam22

What's your relationship with your mom like now? What - you just don't talk that much?

Bhad Bhabie

No, we do. Like, we get along or whatever - is just like - my mom is just - my mom - is just my mom. That's it.

Adam22

Is she okay with the stuff that you do -

Bhad Bhabie

Yes, she is.

Adam22

- to make a living and everything?

Bhad Bhabie

Yes.

Adam22

She's alright with it?

Bhad Bhabie

She's a - she's an amazing parent. She's just - a nut-case.

Adam22

I think a lot of - okay, so let me ask you this. When did you realize that you were famous?

Bhad Bhabie

When I - I went with my - my ex-bestfriend Zander Lee to Walmart - and I'm talking about - looking raggy as hell because when you're nobody, you don't care.

Adam22

Mmhmm.

Bhad Bhabie

As long as you're not around your friends and shit, you don't care.

Adam22

You can go to Walmart, you can look like shit.

Bhad Bhabie

I had on like - fucking pajama pants and slippers and I - like a cutoff t-shirt and I'm like walking around and I'm like, "Are you taking a picture of me?" And ZiZi's like, "Nah, you're trippin'." So, we keep walking and I'm like - and she's like, "Nah, I've seen it." So, me and her run - "Bitch, whatchu takin' pictures for?!" Drrllll - because we don't know. We've never seen that before - never seen that before - so it's like -

Adam22

You were ready to bang on her.

Bhad Bhabie

Oh, we - throw the phone.

Adam22

You got in a fight with her in the Walmart?

Bhad Bhabie

No, we didn't get a fight because she ran away. But, we were gonna. If we needed to, we were gonna.

Adam22

Right. But then, this just kept happening over and over - to the point where you realize like, "Oh, I can't just - uh -"

Bhad Bhabie

Yeah.

Adam22

"- yell at everybody anymore."

Bhad Bhabie

So then, I would just walk around with a hoodie on - hoodie all tied up and shit.

Adam22

Right. But, was there like a certain point where you realize like, "I'm not gonna just let the fact that I went viral just be - you know - the end of the story for me." I think that's what kind of - uh - impressed and surprised a lot of people is that - you actually were like, "Nah. Fuck it. I'm gonna actually like - make a career out of this."

Bhad Bhabie

I'm not gonna be like everyone else. I'm gonna - I'm gonna make it. I'm gonna take what was given to me and I'm gonna make something out of it.

Adam22

Right. Yeah, it's like - a lot of people wouldn't have been - expected you to still be like - a household name at this point. But, somehow -

Bhad Bhabie

Guess what? I ain't going nowhere, bitch!

Adam22

Okay.

Bhad Bhabie

Try to take me on. I'm coming right back.

Adam22

But, do you - have you ever considered - sort of like - cleaning up parts of your image? Or do you think that like - saying stuff like that - you know - "Fuck you, bitch. Blah, blah, blah." - do you think that that is such a part of your character of - what people love you for - that you can't stop doing stuff like that?

Bhad Bhabie

I'm honestly just like - I'm just - I'm just being me.

Adam22

Mmhmm.

Bhad Bhabie

If I feel, for myself - not for everybody else - because I'm - fuck - but for myself - if I think - you know - maybe, I shouldn't do this no more - maybe I shouldn't - I don't - I'm gonna do it because of me - not because I want to clean up my image.

Adam22

Mmhmm.

Bhad Bhabie

Cleaning up me - for myself.

Adam22

Do you think that cleaning up your image would be like - incredibly difficult for you - because you just don't have like - you know - it would be like - a really upsetting thing for me, on a personal level, like - I know I'd probably be able to make more money, or be more marketable, or something - if I were to sort of clean up the way I talked. the way I act - I can't do it. You know, I gotta be me.

Bhad Bhabie

It's not gonna work like that. It's not gonna work in like. Everyone's gonna call you 'fake' and be like, "Oh, see. Here's the real - here's the real Adam." Like, "This is what they're doing now."

Adam22

Right.

Bhad Bhabie

If - you know what'd happen if I stop cursing?

Adam22

I'd be weird.

Bhad Bhabie

If I stop getting my nails done - if I stop all this thing - all the real - me. Shit - they'd be like, "Um - there's little, innocent white girl."

Adam22

You'd be like a lot of other people.

Bhad Bhabie

And that's what I'm not. I mean - honestly, when I was - before I was famous, I was still not like everyone else.

Adam22

Mmhmm.

Bhad Bhabie

My name was always in someone's mouth. Or someone always liked me. Someone always hated me. Girls wanted to be - the girls that wanted to be friends in me in school, talked shit about me to get me to be around them - to get me to say something back to them.

Adam22

Mmhmm.

Bhad Bhabie

I was never just one of these hidden kids like - I was always - always stood out and I always made sure I stood out. If I wasn't getting attention, I'mma wreck this whole place to get some.

Adam22

And in that way, you're really - sort of - built for the social media age, where it's all about attention.

Bhad Bhabie

Yes, I'm a attention-seeker. Anybody will tell you.

Adam22

Do you think that - is - what motivates you at this point? Are you motivated by money? Or is it - by just - I want to see how crazy this shit can get? How famous I can get?

Bhad Bhabie

It's just everything. I'm just - I'm just motivated by - keep doing what I'm doing - do what makes you happy. I'm motivated by happiness.

Adam22

Mmhmm. You're not motivated by money? You don't think about like, "Oh, I want to have this amount of money."

Bhad Bhabie

No, because I can make money, either way.

Adam22

Mhmm. You make - you make like - a lot of money, at this point. It must be like weird to think about - how much money you make, right? True or false?

Bhad Bhabie

Next question.

Adam22

Wow. You just - don't like to dig around in that too much? You don't like - pay attention to the business stuff that much.

Bhad Bhabie

Because it's just not anyone's business. It's just like -

Adam22

What part of the job - of the stuff that you do on like - a weekly basis - do you enjoy the most?

Bhad Bhabie

Arguing with Frank.

Adam22

Arguing with Frank?

Bhad Bhabie

Hands down.

Adam22

That's not so much part of the job. That's just - you could sort of do that.

Bhad Bhabie

Yeah, it is.

Adam22

It is?

Bhad Bhabie

It is. I promise you, it is.

Adam22

You could probably get a security guard that you don't even have to argue with at all.

Bhad Bhabie

Yeah, but that ain't fun. If I - if I didn't have him, I would be fucking - in a fucking - mental house.

Adam22

So, what you're saying is that he keeps you sane. That's good.

Bhad Bhabie

Yes, bro! He fucking -

Adam22

But like - you guys have been like - roasting each other since you walked in. He was already just - trying to make jokes at your expense.

Bhad Bhabie

Right.

Adam22

He's fucking with you. You're fucking with him back.

Bhad Bhabie

But, he's also that person who I could - I could - he can come up to me - fucking knock my eyebrows off. If I come up to him and pinch him - "Aaaaaah!"

Adam22

Okay, but - what about like - the - okay, are you having the most fun when you're recording music? When you're uh - you know - going out hustling up new business deals? When you're making the YouTube videos? When you're out doing interviews or media appearances? What is the stuff -

Bhad Bhabie

I like it all.

Adam22

Really?

Bhad Bhabie

I mean - of course, I like being in the studio more, but I really like it all.

Adam22

When you were young, did you see yourself being famous? Did you think that - that was probably gonna be part of your future?

Bhad Bhabie

No. No, I didn't know I was gonna be famous. I always knew I was gonna be something, though. I was gonna - l'mma - always be the big fish.

Adam22

Right.

Bhad Bhabie

No matter what.

Adam22

I feel like you were either gonna become somebody who - I would say this about myself too - is that I was - my mom told me this one time - she said, "Adam, people like you, end up in jail." And then, I ended up - you know - actually doing pretty well for myself. But, when I think about it now - it's like - a lot of the stuff I was doing when I was younger - I probably - it was a lot more likely that I would end up in jail.

Bhad Bhabie

Like, if we're supposed to be in jail, we'd be in jail. But, we're not. That's why we're here doing this right now.

Adam22

Yeah. I don't know though. When I think about it - a lot of the things I did in my life - I could have very easily ended up in jail for a long time and then I probably wouldn't end up doing this.

Bhad Bhabie

If I wasn't famous right now, I'd have so many fucking battery cases.

Adam22

What do you mean by that? Like, but - don't you feel - but somebody like RiceGum - I mean - he - you know - you have insulted him publicly like - in your YouTube videos and stuff like that.

Bhad Bhabie

So, I mean - that's you having an opinion on somebody who doesn't have anything to do with your life. It's not a real opinion. It's just - okay - um - here - like - that's all it is.

Adam22

Mmhmm.

Bhad Bhabie

Just like - I'm just - little, tiny, baby fish. What am I? What am I doing?

Adam22

Yeah. When did - what - was starting to take the rap-thing more seriously? Was that a big part of you - sort of - starting to take the overall career seriously? Or were you already like, "No, I'm gonna be more - I'm gonna really try to make money off of this name I built for myself." And then, the rap-thing just - sort of - came later.

Bhad Bhabie

It was - it was kind of like - I - I wanted to do something and I'm thinking, "Alright. What's shit I'm good at? Right?" And I've always loved music - I still - I - clearly still love music - I'm sayin' like - I always listen to music - no matter where I am. I'm into all types of shit like - mostly like - my two genres really are old-school, R&B rap type shit.

Adam22

Mmhmm.

Bhad Bhabie

Like Ray J. Old Chris Brown and fucking like - like - all the like Mariah Carey and Keyshia Cole.

Adam22

Respect.

Bhad Bhabie

Aaliyah and Ashanti.

Adam22

Mmhmm.

Bhad Bhabie

And then - ones like - guys -

Adam22

The new school.

Bhad Bhabie

Dexter, Rich the Kid, all them.

Adam22

So, when people say that - you know - they think that you are just - sort of like - appropriating black culture or whatever - you were already a big rap fan like - before any of this started happening to you, right?

Bhad Bhabie

Yes. Yeah, it's just the area I grew up in - the people I was around.

Adam22

Yeah, when I look at you and like - what you're doing, it's like, no - this is a girl who was just raised on hip hop the same way that I was when I was a little kid. I had people saying like, "Yo, you're a wigger.", when I was a kid. "Wigger" was a big word that I got a lot because I was just way too into rap music for a lot of people - which, especially - you know - in the 90s and stuff - it was even weirder for like - a white kid to be that into rap, I guess.

Bhad Bhabie

Fuck that. I don't care. I'm doing what I'm doing.

Adam22

Yeah.

Bhad Bhabie

Your mad? Stay away.

Adam22

I think that you're more just like - a ratchet, little girl rather than like a - you know -

Bhad Bhabie

Oh, that's a first.

Adam22

But, no, I'm sure you hear it all the time. Here - but, you know you have behavioral issues. You're just like - a crazy-ass girl who was raised on hip hop.

Bhad Bhabie

Yes! I have behavioral issues. I have behavioral issues. I have anger issues. I have emotional issues. I will -

Adam22

Beat a podcast's ass - beat a podcast host's ass.

Bhad Bhabie

I will argue with this motherfucker until I'm blue in the face - calling him every name under the sun. The minute he's like, "Oh, yeah? I'll say something back." I'll start crying, instantly.

Adam22

Really? Oh, you're sensitive like that, okay.

Bhad Bhabie

No, I'm not sensitive. I just want to make him feel bad.

Adam22

So, do you think you're emotionally like - manipulative, in that sense?

Bhad Bhabie

Yes!

Adam22

Okay. That's a good sense - that's a - good skill to have. Yeah. There you go.

Bhad Bhabie

I'm just make him feel bad because I'm young.

Adam22

What do you spend your money on now that you supposedly have some -

Bhad Bhabie

Nails!

Adam22

Is the number one thing?

Bhad Bhabie

That's it.

Adam22

How often you get those things re-done?

Bhad Bhabie

Um, like - every week - sometimes twice a week

Adam22

Really?

Bhad Bhabie

Yeah.

Adam22

How many grills do you have?

Bhad Bhabie

I have two, but I don't wear them anymore.

Adam22

Why not?

Bhad Bhabie

Because I have these ones on my teeth.

Adam22

Oh, yeah. You got those little gems down there, huh? I just got my first grill. I was thinking about wearing it for this but it kind of feels weird. It's all tight on my teeth.

Bhad Bhabie

Mine was like that too, so I just stop wearing it.

Adam22

Yeah, you're so young that your teeth are probably moving all over the place and shit.

Bhad Bhabie

Yes! Like, this tooth up here - it made the top one like push out and it hurts so I just - and I don't do that shit like - I - I look kind of stupid -

Adam22

Maybe, it might be a little too much.

Bhad Bhabie

Yes, but if I - if I really liked it, I wouldn't have stopped so -

Adam22

Right. Well, that's good - um - you know, the one thing I really wanted to point out that I didn't know until earlier today is that - the the episode of the TV show with the unnamed host - that we shall not mention - was actually titled, "I Want to Give Up My Car-stealing, Knife-wielding, Twerking, 13-year-old daughter, Who Tried to Frame Me For a Crime".

Bhad Bhabie

Yeah, I did that.

Adam22

I mean - I know a lot of these like - midday shows have ridiculous titles for them and stuff but, I mean - wow, what a great title that is.

Bhad Bhabie

It was actual bullshit. It was so much bullshit.

Adam22

Which part of it? Okay, car-stealing? True or false.

Bhad Bhabie

True.

Adam22

Knife-wielding?

Bhad Bhabie

True.

Adam22

Twerking?

Bhad Bhabie

Um - semi-true.

Adam22

13 year old daughter? You must have been younger than that then.

Bhad Bhabie

It started when I was like - 12-ish, 13-ish. I was really showing out - didn't care.

Adam22

And you tried to frame her for a crime? What was the crime?

Bhad Bhabie

Heroin.

Adam22

Heroin?! Why was there heroin around?

Bhad Bhabie

There wasn't. I made it.

Adam22

You made heroin?!

Bhad Bhabie

No, I did not make heroin!.

Adam22

That's very impressive. I'm gonna be honest.

Bhad Bhabie

I didn't make heroin! I just took flour in a - I took like - I mixed flour and um - what's the sugar - they put on the thing?

Adam22

I don't know. I haven't done a lot of baking.

Bhad Bhabie

Powder sugar.

Adam22

Okay.

Bhad Bhabie

Powder sugar, regular sugar, and baking soda. And just mixed it all together and it looked like heroin.

Adam22

Yeah, and then you called the cops and said it was heroin?

Bhad Bhabie

And then, I put it in a little bag, tied it up, put a little straw, put a little razor, did like three lines and then I was like, "My mom's a crackhead."

Adam22

Why did you do that? What'd she do to you?

Bhad Bhabie

She didn't let me go out. And it was like - I'm just going to Zizi's house like - I'm not doing anything. And she's like, "If you leave, I'm gonna get you arrested." I'm like, "Not if I get you arrested, first."

Adam22

I'm gonna be honest. As a 13-year-old, I would not have been able to create like - a fake heroin setup. I don't think I really knew what that was.

Bhad Bhabie

That's why I'm special.

Adam22

Yeah, you're - you're in touch with the streets.

Bhad Bhabie

Hahaha.

Adam22

Wow, that's amazing! Um - okay, well - is it - is it also true that you stole a crew member's car while the episode is being filmed?

Bhad Bhabie

Yes.

Adam22

This is really - this whole interview is basically just me marveling at all of your amazing accomplishments.

Bhad Bhabie

Yeah, thanks. Appreciate it.

Adam22

I mean - I didn't have to dig too deep for this. This was just like on the Wikipedia page about you - which I'm sure you're aware of.

Bhad Bhabie

Yeah.

Adam22

So, you stole a crew member's car? True or false.

Bhad Bhabie

Yes.

Adam22

It happens.

Bhad Bhabie

I mean, I didn't do it on purpose!

Adam22

Right.

Bhad Bhabie

I was set up.

Adam22

How so?

Bhad Bhabie

I was set up. Do you leave crack on a crackhead's dresser?

Adam22

If I had crack, I would probably dispose of it in a local garbage can or something like that, but -

Bhad Bhabie

Or a local crackhead's dresser, right?

Adam22

But, would I leave crack? No. I don't know. I don't know how to answer this question. I don't even wanna -

Bhad Bhabie

I'm saying like - okay, listen. Listen - if you have a - if you have like a friend or brother - whatever - that smoke cigarettes and you know they're trying to stop and you smoke cigarettes, are you gonna leave cigarettes in their possession?

Adam22

So, why leave a car around a car thief?

Bhad Bhabie

No! That's not what -

Adam22

No? Hahaha.

Bhad Bhabie

Why leave your fucking keys - you dumbass bitch - on my fucking dresser?

Adam22

Right.

Bhad Bhabie

And I said to my mom - we went to this Greek place to go pick up food while they were doing lights or whatever. And I'm like, "Mom - lady left her keys on my dresser." She's like, "You're not gonna do it." I said, "Huh." Got home - went - I actually lost this Coach bag the same night. I packed up my little bag and I threw it over the - went out - went around the back and I - I threw the - I threw my bag - um over the fence and then I went back in the house. And then I - I was like - nothing like - nothing happened. Took the keys or - I - why - I put the keys in my bag. But I went outside and I was like - because I used to smoke back then - so everyone was like - I was like, "Oh, I'm just gonna go outside." Like, no one's thinking anything of it - me just walking out of the house. Toodles.

Adam22

You just took off in the car?

Bhad Bhabie

And I was gone.

Adam22

And then what - where'd you go?

Bhad Bhabie

Um, just some friend's house.

Adam22

You just left the car on the street? Probably should have like - drove it into a lake or something.

Bhad Bhabie

No, I - um - I went - I went - I picked him up and then we just like - drove somewhere and then went back. And then, it was like, "You're in trouble. Get out." And then, I just left.

Adam22

Interesting. So, when you look back at those days, do you already feel like you've grown up a lot since then? Or you still kind of like, "Meh, I'm still pretty much the same."

Bhad Bhabie

Um, I think I've grown up a lot since then in different ways that you probably - you guys probably won't see.

Adam22

Mmm.

Bhad Bhabie

Only the people who around me a lot really see it and I wouldn't say -

Adam22

I think you have to have grown up a lot - to even be able to - still be surviving - given how many eyeballs are on you and how many people want to see you fail at this point. Right?

Bhad Bhabie

Exactly. That's for sure. That's why -

Adam22

I'm gonna pretend you didn't just kick me in the kneecap, by the way.

Bhad Bhabie

I do that to everyone.

Adam22

Kind of scared of you now - for knowing about all this stuff.

Bhad Bhabie

If - if you're sitting across from me at a tiny table or next to me, you're gonna get kicked and -

Adam22

You just sort of swing your feet around a lot - it's kind of your thing. I got you. Um, just - but, just - so you feel like you've grown up a lot? Or do you feel like - you know - because like - when you look back at that version of yourself? I mean - I can't even imagine what it would be like to look back at a version of myself that young, and that reckless, and that lacking in knowledge about how the world works - and just - have to be like, "Yeah, you know, that was - that's - that's me."

Bhad Bhabie

Yeah.

Adam22

But, hey, fuck it.

Bhad Bhabie

Exactly! You can only be stupid once.

Adam22

Yeah. I noticed you haven't really been in that much trouble lately though. It seems like you've been keeping pretty low profile.

Bhad Bhabie

Probation.

Adam22

Probation? Does that hold you back a lot?

Bhad Bhabie

Judge probably gonna watch this so - I'd be a good kid, no matter what - don't get me wrong, right?

Adam22

No, but I mean - in the sense that you'd be able to do a lot more things - that would probably - sort of - play appropriately into like - your image - in the sense of just - doing crazier stuff - more ridiculous stuff - but you kind of need to keep a lot of that more low-key now?

Bhad Bhabie

Yeah. So, I don't really have a lot of people around me. I don't have a lot of mouths around me. There's NDAs in every room in my house. NDAs?

Adam22

Really? So, if like - hypothetically, we were to like - come over to film at your house, we'd have to sign NDAs about anything we saw?

Bhad Bhabie

I'd make you sign two of them.

Adam22

Two of them?! Jesus Christ. You take people's phones, too?

Bhad Bhabie

No, it hasn't got that far, yet. Because, I don't really have parties and shit. Because, if I felt like I need to take someone's phone, I'm gonna take it. You can either give me your shit or leave.

Adam22

Right. Would you even be the one to have the conversation? Or would you make Frank have the conversation?

Bhad Bhabie

If it was a - if it was a person who like - I knew was gonna try to give trouble about it, I do it. But, if I knew it was someone who was gonna just try to be normal, I just let Frank do it because that's just what's happened. But, I like drama.

Adam22

Mmhmm.

Bhad Bhabie

So, if I know you're gonna start talking shit, I'mma just do it so I can talk shit with you.

Adam22

Okay. Um, do you - what - do you feel like when you turn 18 and 19 or whenever you're gonna get off probation, are you gonna go crazy? Or are you gonna hopefully stay the same at that point?

Bhad Bhabie

I can't answer that question. It's hard to say.

Adam22

Okay. I just - I just -

Bhad Bhabie

I'm gonna just do what I want to do, honestly. I do what I want to do now.

Adam22

Mmhmm. You just have to reign yourself in a lot. Do you feel like - you're sort of just like - waiting out the time in a lot of ways because you sort of - are so like - constrained - and how much travel you can do and stuff like that? Knowing -

Bhad Bhabie

Yes.

Adam22

Didn't you get caught for like weed or some bullshit?

Bhad Bhabie

I was. It wasn't in my fucking possession, too.

Adam22

Really?

Bhad Bhabie

Like - I was outside with my ex-girlfriend and she was smoking and I - I noticed cop was following us around.

Adam22

Mmhmm.

Bhad Bhabie

Or, well, no - I - I noticed. I walked outside and I looked and parked on her grass - a cop car. I'm like, "What?" So, I just go back in the house, right? It's just - I just had got out of court, too. I'm like, "Gabby. There's a fucking cop car outside your house." She's like, "What?" She goes outside to look. It's gone. So, we go out and she's um - we're walking down the street and I noticed he passes again. And so, I'm like, "Bro, put the fucking shit down, bro." She's still like trying to fucking light it. I'm like, "Really? Are you fucking kidding me?" And so, he passes again. I'm like, "Fuck this." So, um - I go - I go to walk from - to behind her house - and she's like, "Light this." Because she's brain-dead - couldn't light a fucking blunt. And so, I go to light it and I'm like, "Oh, fuck that." I go like - this, right? And fucking - dumb, dumb, dumb, dumb, dumb, dumb, dumb - fucking throws it where the dirt is - not where the grass is.

Adam22

Mmhmm.

Bhad Bhabie

So, he's like, "It's right there." I'm like, "No, it's not." I'm over here talking the most shit - calling him every name under the sun. And I'm like, "I'm gonna get myself fucked. What are you doing?!" But, I'm like still mad because I'm like, "I know my dad sent you here to search for me. I'm not stupid."

Adam22

Really?

Bhad Bhabie

And then, I got - I get a fucking written arrest for it and she goes back in her house.

Adam22

And then, now you're stuck with "Milk Dud"? What's that mean? "Milk Dud"? Was that her nickname or is that just a general insult?

Bhad Bhabie

That was Dan and Adam's nickname for her.

Adam22

For this girl? Who was this girl?

Bhad Bhabie

You made it! Wait! Look at him, see!

Adam22

I see a bunch of men who don't seem like they want to take credit for this nickname.

Bhad Bhabie

I was really dumb.

Adam22

Yeah. Here we are. It's just crazy because I mean - I got in trouble for a lot of stuff when I was that young but I didn't get five years of probation for it.

Bhad Bhabie

I did.

Adam22

Crazy. Um, do you enjoy doing the the YouTube thing because I see you on there - just sort of -

Bhad Bhabie

Yeah, I like it. I mean - it's cool.

Adam22

You make a lot of content.

Bhad Bhabie

They're just so - so many fucking dorks on there. I just don't want to be around that crowd.

Adam22

You read the comments? Oh, no. You're talking about other YouTubers. Who do you not like? Who's a dork? Jake Paul.

Bhad Bhabie

Jake Paul, Logan Paul, RiceGum.

Adam22

RiceGum. He's - he's - we're friends.

Bhad Bhabie

Okay.

Adam22

Is that okay?

Bhad Bhabie

No.

Adam22

No?

Bhad Bhabie

Actually, you know what? This interview is over.

Adam22

Hahaha. That would be good, yeah.

Bhad Bhabie

Why don't you invite him over?

Adam22

Yeah, Matt. You want me to?

Bhad Bhabie

Yeah, go ahead and -

Adam22

Oh, so Frank's not a fan of RiceGum, either. Alright, I mean - we're not friends like we hang out all the time. We hung out a few times - you know. He's supposed to do this podcast. You made it in here before him. It kind of says a lot.

Bhad Bhabie

No.

Adam22

No, you're not allowed to do that now.

Bhad Bhabie

No.

Adam22

I appreciate you taking a stand on that.

Bhad Bhabie

Now, I know how to get in through the back.

Adam22

Mmhmm. Oh, we got locks.

Bhad Bhabie

I know how to break locks.

Adam22

You know how to break that deadbolt?. Well, you do have Frank. Maybe, Frank can just run into it real fast.

Bhad Bhabie

I'd have Frank do it.

Adam22

Yeah.

Bhad Bhabie

Frank had to kick me out of - like actually kicked me out of a closet - because my other manager, Adam had shut the door and we were at - staying at this stupid-ass house that you go like this - the whole fucking wall shatters. So, Adam slammed the door, locked me in, and I'm like, "Frank!" I couldn't open the door so I'm just scared. And Frank he just comes in - he just kicks the fucking -

Adam22

Amazing, Do you spend a lot of time hanging out with people your own age? Or is it -

Bhad Bhabie

No.

Adam22

No?

Bhad Bhabie

The youngest kid I've ever hung around and thought like, "You're kind of cool." is Way Generous.

Adam22

Really?

Bhad Bhabie

Yup.

Adam22

Shout out to him - good friend of ours.

Bhad Bhabie

Yeah, he's cool. He's - he's a really good kid.

Adam22

How'd you end up meeting him? Just on Instagram or something?

Bhad Bhabie

When Skies had released "Life of a Dark Rose" we were um - we were at the studio and it was him, Landon, and all those - that one carrot-head kid -

Adam22

Cameron - AKA CUFBOYS. Everybody, go subscribe to CUFBOYS on YouTube.

Bhad Bhabie

I called him a "dork". I was like - I seen him looking at me and I was like, "I know who you know the fuck I am!" Like, "Dipshit! I know you know who I am!". I'm like, "What's up, dork!" and he just like -

Adam22

You - you think he was a little scared to you?

Bhad Bhabie

Yeah. I know he was scared.

Adam22

He's kind of timid.

Bhad Bhabie

And he wouldn't say nothing to me until all of us were around there.

Adam22

Yeah. You know what's crazy is that - you initially got famous for having a bad relationship with your mom and he initially got famous for having a really good relationship with his mom because they sit around and watch Kodak Black videos together.

Bhad Bhabie

He's so funny! He's so fucking funny, bro! I remember the first - the first video I ever seen was him and his mom reacting to Trippie - I think it was.

Adam22

Mmm.

Bhad Bhabie

And then - and then I - I kind of like - didn't watch any other videos after that - until I met Skies and then I realized that Skies knew him. And I was like, "Okay, what is this kid about? He clearly can't really be that much of a dork if Sky is hanging out with him."

Adam22

Right. He helped Skies get big - big time.

Bhad Bhabie

Yeah.

Adam22

You know there's probably so many people watching this right now that have - that like - had previously written you off that are gonna be like, "Oh, she's friends with Lil Skies, she listens to Lil Skies music, she's friends with like a lot of these rappers and stuff. Yeah, she's probably all right."

Bhad Bhabie

I mean, some people think I'm crazy because - because I -

Adam22

I - I can completely understand why they think you're crazy.

Bhad Bhabie

Hahaha. People think I'm crazy because I hang out with a lot of people who are older than me and shit. And like - I listen to all this bad music. But it's like - I'm just doing what I want to do - like can you please leave alone? Thank you. I really appreciate it.

Adam22

Let me ask you this. Would you - do you think that, Woah Vicky, is swagger-jacking you? Is she taking your image and just sort of running with it?

Bhad Bhabie

I have no idea that is.

Adam22

Hahaha. You don't? You spend way too much time on Instagram to not know who that is.

Bhad Bhabie

Woah, what - what was her name?

Adam22

Woah Vicky. She got arrested! Did you see that yesterday?

Bhad Bhabie

Doesn't ring a bell.

Adam22

Oh, look at you. So, have you guys not exchanged barbs publicly or anything? Or, do you just not want to give her the clout of acknowledging you know she is?

Bhad Bhabie

I don't know what you're talking about.

Adam22

Well played. Um -

Bhad Bhabie

Hahaha.

Adam22

Um, okay, another - another name that I wanted to ask you about - do you know Tana?

Bhad Bhabie

Yeah!

Adam22

Are you friends with her?

Bhad Bhabie

Yeah. She's cute.

Adam22

She was very excited when she heard that I was gonna do this interview with you - because me and her pretty good friends. You guys should collab. That would be a great power couple. I could see you guys making powerful content on YouTube together.

Bhad Bhabie

I guess.

Adam22

Yeah, shout out to Tana. Um, what about this uh - the new "Hi, Bitch" remix, with the whole gang on it. I was pretty uh - impressed by that. You got together a pretty good crew. Made in Tokyo - Rich the Kid and Asian Doll - these are all some pretty uh - popular rappers at this point and stuff. How did that - how did that remix even come together?

Bhad Bhabie

I was like, "Okay, well - I just want to do something crazy." I'm like, "Let's do Hi remix - Hi, Bitch remix video with everyone like - people I fuck with hard.", right?

Adam22

Mmhmm.

Bhad Bhabie

So, I'm like - Rich the Kid, off rip. Um, I was cool with Nahmir, at the time. So, I'm thinking, "I'm gonna put you on there because I fuck with you."

Adam22

Right.

Bhad Bhabie

And this was when like - like - like this kid was just - "Rubbin Off The Paint"-kid. He wasn't YBN Nahmir. I'm like -

Adam22

He's - he's blown up a lot since then - since that song first came out.

Bhad Bhabie

Sigh.

Adam22

What?

Bhad Bhabie

People's heads get way too fucking big.

Adam22

Mmm.

Bhad Bhabie

People can fucking - like - you just - you - so hard to explain. Like, when you watch someone go from begging you to like - like - text them back - to I can't even text you and ask you - ask you something like - about like - work we're doing together - or something like that. Like, that's when shit's like - fucked up. Like, it's just like - your karma's gonna come back and kick you in the ass hard - real fucking hard.

Adam22

You'll get used to that in this business.

Bhad Bhabie

But, it's like - don't like - you know - he played himself - that little boy played himself - and he still playing himself.

Adam22

Why do you feel like that?

Bhad Bhabie

Because his head is too fucking big. His head is too fucking big like - that shit is gonna catch up to him. It's gonna catch up to him. He's hot, right now. He's got this little - little sizzle going for him. But, the way he's acting, he's just gonna die down real fast. Don't get me wrong. I fuck with Manny, Glizzy, Ace - all of them - Jay. I'm - I fuck with Jay hard. But, Nick and Nahmir - he just - he just ain't doing it.

Adam22

You think he's a little bit - was this a real personal thing? Did you guys - were you guys talking at one point? Or, was it never like that?

Bhad Bhabie

I mean - he had something going on in his head that he thought was gonna happen.

Adam22

You think he had a crush?

Bhad Bhabie

I don't know. Oh, no. He was about to turn 18! So I didn't - so, I'm just kind of like -

Adam22

Yeah - yeah, you gotta stay away from all these dudes - these rappers. No, not music.

Bhad Bhabie

It's my fucking weakness, bro. If you have - this is weird because you have face tats - to be saying this. But, if you have face tats -

Adam22

I'm your bro. I'm your big brother.

Bhad Bhabie

If you're light skin -

Adam22

I am light skin. Thank you.

Bhad Bhabie

No, but -

Adam22

That's why - people have said like, "Are you white?" "No, I'm light skin."

Bhad Bhabie

I say, "I'm clear."

Adam22

Clear? Hahaha. Clear Pepsi.

Bhad Bhabie

I just blend in like - a fucking - what's it? A flamingo? No, not a flamingo. Damn, I'm stupid!

Adam22

No, those are pink.

Bhad Bhabie

Mmm. What's it called? The thing -

Adam22

Chameleon.

Bhad Bhabie

Oh, I thought it was a bird!

Adam22

There probably is some sort of bird that blends in too, right?

Bhad Bhabie

Hahaha.

Adam22

Some kind of - camouflage bird.

Bhad Bhabie

Fuck you! Fuck you! Fuck you!

Adam22

You're cool, Frank. Hahaha.

Bhad Bhabie

Fuck you too - because you laughed at it. Hahaha.

Adam22

Alright, I wanted to ask this. What is your average day like? Like, what do - what do you wake up and do - on the average - daily? What's a day in the life of a Bhad Bhabie?

Bhad Bhabie

I wake up usually around like - 11 o'clock because -

Adam22

Puberty be like -

Bhad Bhabie

Because I just don't want to deal with people. And he's not back from the gym 'til like - around that time, anyway. So, I just don't want to be awake unless - huh?! What'd you say?!

Adam22

Yeah, Frank goes to the gym at a lot of different time periods is what he's saying in the background.

Bhad Bhabie

No, Derrick just replaces him.

Adam22

He has no schedule.

Bhad Bhabie

Derrick replaces -

Adam22

You know - they don't have microphones - so, we should probably like de-emphasize the part of us talking to them.

Bhad Bhabie

Oh.

Adam22

Um, okay, how about this question - how about this question? Where did the name come from? Because I know - to a lot of people, it's just sort of a -

Bhad Bhabie

It really just came on last. I swear, it came on last - or -

Adam22

Baby - I mean "Bad Baby" is one thing, but - I think the H's are just very confusing to a lot of people.

Bhad Bhabie

Exactly. I want to confuse you. I want to make your little mind wonder.

Adam22

Because I still - I hear people - all the time. Is it "Bad Baby"? Is it "Bad Bobby"? "Bad Barbie"?

Bhad Bhabie

"Bad Bobby", "Bad Boobies", "Bad Titties" "Bad - Hahaha.

Adam22

"Bad Boobies"? Hahaha.

Bhad Bhabie

"Bad Barbie" -

Adam22

Yeah.

Bhad Bhabie

"Bhad Baddie" -

Adam22

Is that like - kind of a thing in your hood where you grew up - that you just like insert a lot of superfluous H's into words?

Bhad Bhabie

No, I just - like - I want to do something no one else has ever done.

Adam22

Right.

Bhad Bhabie

What is that?

Adam22

I don't mind it. I think that's pretty cool. Um, do you consider yourself a feminist? What? I mean - do you -

Bhad Bhabie

I mean - I'm just here. Hahaha.

Adam22

That is a good answer, I guess. Well, do you think that women are treated unfairly in like - the music business or in the world, in general. Or -

Bhad Bhabie

I'm not these other bitches, so I don't know. But, I know for me, no.

Adam22

I like that. Well, you you have a message of empowerment. Is important to you - the effect that you have on other girls - you know - just sort of telling young girls that it's okay to stand up for yourself. That it's okay to - you know - be this strong person.

Bhad Bhabie

Yes, it is. Don't - don't let no female - don't let no dude - don't let no parent - don't let no grandparent - don't let no dog - don't let no cat - don't let no goldfish - bring you down.

Adam22

No YouTuber?

Bhad Bhabie

Hahaha. No, not even RiceFlum, or whatever his name is.

Adam22

Hahaha.

Bhad Bhabie

Don't. Do what you want to do. If you want to - cut your hair off and tie it to your neck - do it - if you think it's good for you.

Adam22

I did cut my hair off.

Bhad Bhabie

You didn't tie it to your neck, though.

Adam22

No. But I do have a lot of hair on my neck as well - as long as you don't bring that up.

Bhad Bhabie

Hahaha.

Adam22

Yeah. Um, okay, so I have a few more questions that I wanted to ask you about. What about Tekashi 6ix9ine? Are you fan of him?

Bhad Bhabie

His music doesn't suck.

Adam22

He doesn't suck? But, are you a fan of the antics? Are you a fan of his insanity? You never met him? He's pretty - he's controversial these days.

Bhad Bhabie

I just - um, I just don't really like - uh - fuck with him like that. Like, I don't really think he's a cool person.

Adam22

Really?

Bhad Bhabie

I just think he's another one whose head is getting too big.

Adam22

If you were 18 right now, would you already have face tattoos?

Bhad Bhabie

Yes.

Adam22

Yes, definitely?

Bhad Bhabie

Yes, for sure.

Adam22

Like what?

Bhad Bhabie

I want a butterfly right here.

Adam22

Okay, Playboi Cardi style?

Bhad Bhabie

What?

Adam22

Well, he's - he's kind of like - got the butterfly. That's sort of his thing. Also -

Bhad Bhabie

Hahaha. I didn't know that. I didn't know that.

Adam22

Young girls like - I guess like - teenage girls - they're into butterflies, I think. Yeah. Well, that's cool. Um, you know - did you see in the comments on Twitter that Ben Baller asked if you like PK Rippers? You know what that is?

Bhad Bhabie

No.

Adam22

I'm not surprised you don't know what that is. It's a BMX bike from like - the 80s. Yeah, it's a weird thing that he might have even thought you would know what that was.

Bhad Bhabie

Where does that even come from?

Adam22

I don't know. He's just - I - that's something he's into. You told him that he needs to make you a chain.

Bhad Bhabie

Yes.

Adam22

You have like - a lot? Have you done like - the big chain thing, yet?

Bhad Bhabie

No.

Adam22

You're still waiting?

Bhad Bhabie

Because I don't really wear chains like that. I'm more where like - earrings. I don't even wear like - I'll wear posts.

Adam22

He can make you some earrings.

Bhad Bhabie

I really - I really want - I really want to -

Adam22

My cats here. Well, don't - get out of here, you fat fuck.

Bhad Bhabie

Hahaha.

Adam22

He's gonna try to jump in your lap. I already seen him bother - bothering your management over there.

Bhad Bhabie

No, I really like - I'm kind of obsessed with - um - Playboy like -

Adam22

The brand - the image?

Bhad Bhabie

The bland - the bland - the brand. So, I like - have like - five Playboy bunny belly button rings - couple shirts from JoyRich - sweatpants - all that shit.

Adam22

Mmhmm.

Bhad Bhabie

Like, I have one earring that's a Playboy bunny. I have one earring that's a gun. That's the ones I wear mostly. But, I want to get one. I want to get Playboy bunny earrings made with like - the blue in the eyes.

Adam22

Mmhmm. That's pretty dope. Yeah, rest in peace, Hugh Hefner, you know?

Bhad Bhabie

Yeah.

Adam22

Big changes have gone down. Oh - I - actually, I also would like to say, rest in peace Combat Jack, Lil Peep, and Fredo Santana.

Bhad Bhabie

Yeah.

Adam22

We lost a lot of good guys this year. Probably, some women too that I'm forgetting. Were you a Lil Peep fan?

Bhad Bhabie

I wasn't really like - as much of a Lil Peep fan as I would call myself like - a Rich the Kid fan.

Adam22

Rich the Kid's still alive luckily.

Bhad Bhabie

Yes. Hahaha. But, I'm saying like - you know I mean like - I didn't listen to his music as much as I listened to like - other music but -

Adam22

You're on the street-shit.

Bhad Bhabie

But, I - I listen - one of - one of my favorite songs by him was - um - "witchblades", with Lil Tracy.

Adam22

Oh, amazing, right? That was a classic.

Bhad Bhabie

That shit - I swear, whenever he - when he says, "When I die, bury me with all my..." - um - that shit gives me the chills. After he died, and I heard him say that, it was like -

Adam22

Yeah. It can be tough to listen all that stuff now - just because he's like - sort of - telling you that he might die soon.

Bhad Bhabie

Yes, and then when he really died - I remember fucking - when Fredo Santana died - I had - I barely - I had heard like - a couple Fredo Santana songs, but I'm like. I'll show you. I'm like - let me let me download Um, let me - let me download some some of his shit.

Adam22

Yeah, I could see you being a "Rob My Plug" type of girl.

Bhad Bhabie

So, I -

Adam22

You should go - all the Freddy - Fredo Krugers and everything.

Bhad Bhabie

Yeah, I downloaded all day shit. I started listening to it and I was kind of like, "Okay."

Adam22

That's a street legend, right there. He's a real deal.

Bhad Bhabie

Yeah, I remember um - who was it? It was one of these little artists um - can't remember who it was - posted it - posted "RIP Fredo" on his Snapchat and I was like, "Nah, like - that's - that didn't just happen."

Adam22

Mmhmm.

Bhad Bhabie

So, I'm looking. Everyone's like - everyone's like - um - "Oh, it's fake." Okay, well the person who's really gonna say something is gonna be -

Adam22

Keef.

Bhad Bhabie

Chief Keef. So, I go to look on there and he hadn't been on so I'm like, "Maybe he would have addressed it. Maybe, Fredo would have addressed it if it was fake." But - and then, it's when I seen like - the pictures of like his - his baby and his baby mom going around - it was like RIP. I was like, "Oh, wow. Damn."

Adam22

Yeah.

Bhad Bhabie

But then, you know what? The same motherfuckers who talk about - um - "RIP Fredo" - are the same ones drinking lean.

Adam22

Yeah.

Bhad Bhabie

Have it - have it in the same Snapchat story - have it in the same Instagram story.

Adam22

Did you see in his fucking - in the footage of his funeral, some of his friends were like - pouring lean out.

Bhad Bhabie

That - that shit kills your fucking - your - your boy, bro. That shit killed him and then you - the same motherfuckers poppin' Xans - talkin' about some RIP Peep. Get the fuck outta my face. Don't say that shit if you're gonna do Xans. Don't say that shit if you're gonna drink lean because it makes you look dumb as hell. You're gonna end up just like him.

Adam22

I support you saying that. Is - is that one thing that you've always managed to avoid? Like, like drug thing?

Bhad Bhabie

I used to - I used to do Xanax but it wasn't like - how these fuckers do it.

Adam22

You gotta stay away from that shit.

Bhad Bhabie

I - I - only think I've really ever done was smoke weed. I never did none of that. I've never drank lean. I've never -

Adam22

That's good.

Bhad Bhabie

Like, I've tasted stuff, but -

Adam22

You got to use your influence to tell these young girls not to do Xanax and stuff because young girls -

Bhad Bhabie

I wasn't really a fan of drugs. Like, weed, for me, was only if it was really around.

Adam22

Mmhmm.

Bhad Bhabie

And like -

Adam22

I don't think anybody should be smoking weed when they - they're your age, but I mean, doing like - prescription pills and stuff when there as young as you - I mean - absolutely terrible idea. You're gonna fucking destroy your brain.

Bhad Bhabie

Well, be responsible. Don't - don't do meth. Don't do heroin.

Adam22

Right.

Bhad Bhabie

Don't. But, if you're gonna do it - if you're gonna be not right and do it - make sure your supplier is at least sane and not giving you fentanyl.

Adam22

Well, that's a whole other conversation.

Bhad Bhabie

Or fucking - them - chalk Xanax or -

Adam22

I mean - hey, Lil Peep - you know - that's what took him out. Some - just - getting some bullshit from some fucking dumbass fan.

Bhad Bhabie

That bitch needs to fucking like - rot in hell because she was like, "Oh, I'm the reason he's like that."

Adam22

Mmm.

Bhad Bhabie

Bro, that shit - that shit was really crazy like - I did a Vice interview and they asked me about it and I was like - I just thought about it kind of like - I just thought about it kind of like - this could be like - okay, someone who - I'm not gonna say praises Xanax, but, kind of a logo for it - Lil Xan.

Adam22

Mmhmm.

Bhad Bhabie

I know him. What if that was him?

Adam22

Yeah.

Bhad Bhabie

How would I feel about that?

Adam22

Yeah. Lil Xan though by just like - sort of - getting off of that stuff early on because it was like - right as he was starting to blow up, he already had sort of like - made that as a mission

- to tell people not to do that stuff. And in all my time hanging out with him, I've never known him to even - and I knew him like - six months before he was famous, I guess? Maybe? Maybe a year? And like - I mean, I never knew him to really be doing Xans.

Bhad Bhabie

My mom loves him. My mom - the first thing she said to him - she was like, "Why is your name, Lil Xan?"

Adam22

Hahaha, yeah.

Bhad Bhabie

And he like - explaining to her the whole situation. And you know, it's funny. Fucking - um - when I - when I met him - same time around that I met Skies - and these fuckers ditch me. And I end up on their own in Sky's session because - I would really stay out of Sky's sessions because he be smoking too much in their. So, I'd hop in every once in a while.

Adam22

You just don't like being around that much weed smoke? Or, is it because you're scared of not passing your drug test?

Bhad Bhabie

I'm on probation.

Adam22

Yeah. Right. Yeah, they do be smoking a lot in there. Well, do you think Lil Xan should change his name to Diego? Because he's been talking about it a lot.

Bhad Bhabie

Hahaha, no.

Adam22

I don't know how well that's gonna sell.

Bhad Bhabie

I remember - I remember he told me he wanted to drop the "Lil". I remember that.

Adam22

Mmhmm.

Bhad Bhabie

But no, I think he - just stay what you say - but just make sure you say, "Don't do Xans."

Adam22

I think, at least for the time being, it's got to be "Lil Xan, aka Diego". And then - maybe you know - second like - he even said -

Bhad Bhabie

Nobody even knew his name a couple months ago. People were thinking his name was "Alexander".

Adam22

Alexander?

Bhad Bhabie

Because "Xan".

Adam22

He's full Mexican. He ain't no damn "Alexander".

Bhad Bhabie

"Alexander" is a Mexican name.

Adam22

Is it?

Bhad Bhabie

Yes. Is it not? Am I tripping?

Adam22

I don't know - doesn't sound like it to me. But, hey - maybe. Not "Diego". "Diego" - that sounds right.

Bhad Bhabie

Yeah.

Adam22

Yeah.

Bhad Bhabie

You're like, "Love with the border."

Adam22

Hahaha. Uh, yeah - have you traveled outside the United States?

Bhad Bhabie

No.

Adam22

Do you want to?

Bhad Bhabie

Yes.

Adam22

Or it's just not gonna happen to your older? Uh, that sucks.

Bhad Bhabie

Well, no. I'm going. When I go on tour, I'm going to Europe and shit.

Adam22

The tour! We gotta talk about the tour. When do you go on tour?

Bhad Bhabie

April... something?

Adam22

And is this just you?

Bhad Bhabie

I'm horrible.

Adam22

Don't worry. We'll have the dates and everything.

Bhad Bhabie

It's like April 17th, I think - is my first - April 15th?

Adam22

They're gonna get the dates for us momentarily. But, what - okay - so what do you do on tour?

Bhad Bhabie

I've never been.

Adam22

So, but - you just perform some songs? Or you -

Bhad Bhabie

I don't know.

Adam22

You don't know yet.

Bhad Bhabie

I guess we have to find out, aren't we?

Adam22

Well, there's like - the whole "YouTuber"-style of going on tour - where you - sort of - just stand in front of everybody and you tell some jokes, you do some weird routine -

Bhad Bhabie

No, that's not me.

Adam22

No?

Bhad Bhabie

No, I'm not a YouTuber. I just make YouTube videos.

Adam22

But, you're not like - but, do you see yourself being able to do like - a whole rap set? Because, that's like - you know - it's own thing.

Bhad Bhabie

Yes.

Adam22

Because then, you have to do -

Bhad Bhabie

Yes.

Adam22

You have to book a rap venues and stuff. It's sort of different.

Bhad Bhabie

My first show is at the - I don't know how to say it - not the Observatory - the other one.

Adam22

The Novo?

Bhad Bhabie

No, the other one. Yeah.

Adam22

Constellation Room.

Bhad Bhabie

It looks like it says, "Constella Room".

Adam22

Hahaha. Yeah, sort of like that. Um - do you - so - so this is a full-on music tour? Do you know who you're going on tour with besides -

Bhad Bhabie

Asian Doll.

Adam22

Asian Doll, really? Wow, that's so cool. You know, I was thinking about trying to set up like a "No Jumper - Girls Tour" with like - a bunch of you know - poppin' girls that are coming up.

Bhad Bhabie

Gonna put Nahmir on it?

Adam22

Oh, man. Just going straight for the jugular. You really dislike this guy, huh?

Bhad Bhabie

Um... yeah.

Adam22

So, you - but, in what way do you think - he's like - he's like a girl?

Bhad Bhabie

His actions. He's such a fucking crybaby.

Adam22

Wow. You're going in.

Bhad Bhabie

He just wants everything his fucking way. I really can't stand him. I'm sorry.

Adam22

Well, aren't you the same way? You probably like everything your way too.

Bhad Bhabie

I'm a girl, though! It's okay. You're actually a dude like - you got to dick and balls - like - you can't be doing that.

Adam22

Hahah. Maybe, you guys are just a little bit too similar.

Bhad Bhabie

No, maybe he's a little prick and I'm not.

Adam22

Hahaha.

Bhad Bhabie

It's two different things.

Adam22

I love this beef. Do you think that there's a good chance that he's gonna write a song about you?

Bhad Bhabie

I don't have beef with him. He just knows I don't like him. I've - I've made a song with him.

Adam22

You made a song with him that didn't come out, right?

Bhad Bhabie

Yeah.

Adam22

Yeah, it was supposed to be a No Jumper song, I think.

Bhad Bhabie

Yeah, I know. I was gonna say. That shit ain't coming out now!

Adam22

Yeah. That's too bad. Maybe, I should leak it.

Bhad Bhabie

Shouldn't have fucked himself.

Adam22

I'll probably get sued. Yeah. Okay, what about Iggy Azalea? What made you decide to go at her?

Bhad Bhabie

Boredom.

Adam22

Really?

Bhad Bhabie

Hahaha. Yes, I was just like - you know - you're kind of like a snotty-face bitch, so -

Adam22

Right. I mean - she's kind of like - out the game at this point. Don't you kind of feel bad for like - your career's way more relevant than hers right now.

Bhad Bhabie

Nah, I don't feel bad. She's just a peasant.

Adam22

Right. A peasant? Damn.

Bhad Bhabie

Peasant.

Adam22

That's - that's mean. You're gonna hurt her feelings. She might be crying and shit.

Bhad Bhabie

She'll be alright. She can get more ass injections. It'll make her feel better.

Adam22

Yeah. Is that what girls do when they feel bad? Just - sort of - like - go get some ass injections.

Bhad Bhabie

I just go get my nails done.

Adam22

Hahaha. Yeah, there you go. Um - well, there's a few more questions I had written down here. What - what are your thoughts on Lil Pump? Are you cool with Lil Pump?

Bhad Bhabie

Yeah.

Adam22

Have you hung out with him?

Bhad Bhabie

Yeah.

Adam22

What do you think of him?

Bhad Bhabie

He's a wild child

Adam22

Was... I think he's calmed down a lot. No? You haven't hung out in a while.

Bhad Bhabie

Yeah, but, you still see him doing -

Adam22

Mmm. Not like he was... like - a year or two ago, man. They used to be fucking - going crazy. I had to call him one time and like - tell him to delete a video. Because it was him and Purpp hooking up with these girls in the back seat of a car and it was so fucked up that was like, "Bro. you gotta delete that."

Bhad Bhabie

Sounds like something him and Purpp him would do.

Adam22

They were a little too lit back then. I was just looking out for him, you know? They're underage and shit. Or, at least he was.

Bhad Bhabie

Purpp is like - 20 now, right?

Adam22

Yeah, but Pump is 17 now.

Bhad Bhabie

Pump's still 17?!

Adam22

Pump is still 17. But, he was like - you know - almost 16 at this time. He was like 15 - I guess - at the time.

Bhad Bhabie

Wow, that's crazy.

Adam22

Yeah. What do you think of like - how much Pump has blown up? He's probably like - the biggest dude to blow up from -

Bhad Bhabie

I mean - everytime I've been around him, he's just - been too high to function. So, we just ended up like - shopping carts at fucking Walmart and -

Adam22

That's what you did when you hung out with Pump?!

Bhad Bhabie

Yeah, first time I ever hung out with Lil Pump, yes.

Adam22

You guys are both way too famous to be going playing with shopping carts at Walmart.

Bhad Bhabie

So?!

Adam22

So?!

Bhad Bhabie

And, I was just trying to find clothes because - and this motherfucker comes down and fucking jumps like, "Woooooo!" Like, what the fuck are you doing?!

Adam22

Lil Pump don't shop at Walmart.

Bhad Bhabie

Yeah, he does.

Adam22

Maybe, for food or something.

Bhad Bhabie

Walking in and like, "You got any Molly? Where's - where's the Molly section at?"

Adam22

No, Lil Pump is drug-free now.

Bhad Bhabie

Pfff. Hahaha.

Adam22

2018. Okay, but are you like Lil Pump? You like going to like - the Gucci store and blowing shitloads of money? Or is that not cool to you?

Bhad Bhabie

Um, no. I don't do that. I'll do it sometimes - not really.

Adam22

Mhmm. It's like an addiction for him. He's buying \$3,000 pants like it's going on style.

Bhad Bhabie

I hate to say it but then, his money's not gonna be there soon.

Adam22

I don't know. He's got a lot of it. He's gotta buy a lot of pants. So, you're doubting Lil Pump's future career trajectory?

Bhad Bhabie

No, no. no. no. But, people run out of money.

Adam22

They do. But, not Lil Pump, though.

Bhad Bhabie

Pfff. Damn, what's your obsession with Lil Pump?

Adam22

Hahaha. That's the homie!

Bhad Bhabie

Alright, cool.

Adam22

Hahaha. I'm just trying to defend him. Um - okay - another person I want to ask about - what about - uh - Chanel West Coast? You cool with her?

Bhad Bhabie

Who?

Adam22

Oh, this is gonna be another "Who?".

Bhad Bhabie

Hahaha.

Adam22

Hahaha. I didn't even know that you guys had like - a thing. But, people were asking me to ask about you.

Bhad Bhabie

Are you talking about "Chanel" like - the store?

Adam22

Chanel West Coast from "Ridiculousness". And she - she's formerly signed to like - Young Money - she says.

Bhad Bhabie

Hahaha.

Adam22

No - yeah - yeah, I totally understand it - where you're coming from on that. I probably wouldn't want to answer either.

Bhad Bhabie

Young Money signed Chanel West Coast? Pfff.

Adam22

I mean - hey, a lot of labels sign a lot of people.

Bhad Bhabie

Hahaha.

Adam22

Hahaha. Uh - that's fair. Um - what about Donald Trump? How do you feel with Donald Trump?

Bhad Bhabie

I don't talk about politics. I don't know what's going on with it. All I know is we have a President. He does presidential things. That's it.

Adam22

He does a lot of un-presidential things as well.

Bhad Bhabie

Who?

Adam22

So, have you been told by like - your management like, "Don't say anything specific about Donald Trump because half your fans probably like Donald Trump." Or is that just - you just don't care?

Bhad Bhabie

Nah, I just don't care!

Adam22

That's fair, I guess.

Bhad Bhabie

I truly don't give a fuck.

Adam22

I guess the average 14 year old -

Bhad Bhabie

Unless, Donald Trump is taking every nail salon away - then, I don't care.

Adam22

He might.

Bhad Bhabie

Then we got beef.

Adam22

He's so fucked up that he might.

Bhad Bhabie

Then we got beef and I'm moving out the country.

Adam22

I like that you are so singular -

Bhad Bhabie

I'mma just move to China. Okay?

Adam22

You're so singular in your interest that it's like - nail salons - I care. Everything else - meh.

Bhad Bhabie

Yeah.

Adam22

Yeah, I respect it. Um, yeah. I mean - that - that's the majority of the questions I had written down. I just - I guess my main thing that I want to know about you is just - what is the effect that you want to have on the world? And what are your plans for the next couple of years?

Bhad Bhabie

Whatever happens, happens. I might walk out of here, fall in a puddle, break my leg, and never be able to sing again.

Adam22

Odds of there being a puddle - here in Los Angeles - are very, very low but -

Bhad Bhabie

Hahaha.

Adam22

Hahaha. You know - yeah - so, do you prefer to take life one day at a time?

Bhad Bhabie

Yeah, I do. I really do.

Adam22

That's good. So, are you - you're in the studio recording all the time?

Bhad Bhabie

Every day.

Adam22

Every day? And so, how many songs do you think you have - like - in the stash?

Bhad Bhabie

Too many.

Adam22

Way too many? And are you just always working?

Bhad Bhabie

Mmhmm.

Adam22

Crazy. Did you have an album planned?

Bhad Bhabie

Yeah.

Adam22

Really?

Bhad Bhabie

A mixtape.

Adam22

Amazing. That's really exciting. I'm - I think - could you see yourself - you know - having - you know - probably like - one of the greatest female rap albums of all time?

Bhad Bhabie

Maybe. Maybe, not.

Adam22

Maybe? Coming for that title. I guess - are you committed enough to the music that you plan on like - really seeing this thing through because I could see it happening - you know - down the road and stuff. I think you're better than Iggy Azalea.

Bhad Bhabie

Lil Pump not talking is better than Iggy Azalea.

Adam22

Hahaha. Lil Pump's Instagram story is better than Iggy Azalea's music. I would agree with that.

Bhad Bhabie

She sounds like, "Eeeeehwaaaaaheeeeh..." - British. Hahaha.

Adam22

Austrailian. Um - yeah.

Bhad Bhabie

Australian? Same thing.

Adam22

No, I agree. Americans - we don't want to hear people from other countries rap - just seems like a consensus.

Bhad Bhabie

Sometimes, Ski Mask sounds like he's fucking - British or German.

Adam22

You big fan of him?

Bhad Bhabie

Yeah.

Adam22

He's from Florida. Yeah. He probably just throws on the accent for the hell of it. Anyway - anybody you want to thank? Anything that we should look out for - oming from you - in the near future?

Bhad Bhabie

My tour.

Adam22

The tour. Did we ever find out the dates for the tour?

Bhad Bhabie

Oh, well you just said - you said that over there - so I figured -

Adam22

So, now we're not supposed to talk about the tour? I got an email saying, Make sure you talk about the tour."

Bhad Bhabie

Right? Like -

Adam22

Hahaha. There's a lot going on.

Bhad Bhabie

Whatever, dude. You want to come do it? Come here. Come do it. You wanna do it? Put a fucking red wig on you.

Adam22

Hahaha. Put a red wig on you. Anyway, it's been great talking you. You're the real deal. I believe in you. I just want to say that. I really do believe in you and I believe that - you know - you probably have a very great career ahead of you. And as much as some people like to shit on you - you know - I'm a believer. I wouldn't have done this interview - I've turned down interviews with a lot of - sort of like - social media superstar type people - but, I actually I believe that there's some legitimacy to what you're doing. So, I just wanted to - you know - throw that out there. And um - hopefully, we can patch things up with Nahmir and get that song out, but I guess that's not happening - no? Bye, bitch.

Bhad Bhabie

Bye, broke hoe.

Adam22

Hahaha. That was not meant for Nahmir, by the way.

Bhad Bhabie

Yes, it was!

Adam22

Okay, take that back. Um... No Jumper - coolest podcast in the world. Check us out on YouTube, Soundcloud, iTunes. Follow me on Instagram at Adam22. I need all the clout. Thank you very much.

Bhad Bhabie

Hahaha.

Adam22

You got 12 million. I'm over here at 600k. You know how sad that sounds?

Bhad Bhabie

Eeh.

Adam22

Pussy. Big facts. Alright. Thank you very much, Danielle. This has been No Jumper. Peace.
